Last Season Remembered - Ladies Seal Title

Royal Wootton Bassett Town Ladies completed a league and cup double as a 2-0 triumph away against Swindon Town Development secured top spot in the South West Women's Football League Eastern Division. With time winding down and the team holding a slender 1-0 advantage courtesy of Hayley Huckin's early header, there were moments when Bassett felt that the trophy was set to slip out of their hands, not least when Chloe Buller smashed an effort against the crossbar for the hosts with the follow-up being blazed narrowly over from close range. But with just over five minutes to go Amber Egerton settled any nerves, finding the net with a cross-cum-shot that looped in over the Swindon 'keeper to double Bassett's advantage. That was all her team required, and it was appropriate that one of Bassett's longest-serving players scored the goal that ultimately sealed the title after another eventful title race.

Remarkably, for the second year in a row top spot in the division was earned only by virtue of possessing a better goal difference, with first and second place level on points. However, having finished as runners-up to Portishead Town last season, this time it is Bassett who reign at the summit as they edged Frampton Rangers, who, in their first season since promotion from the Gloucestershire County League, pushed Jonny House and James Goddard's side all the way in a thrilling campaign.

Awarded fixtures, frustratingly, have played their part again, with the outcome potentially being different were those games to have been played. But Bassett had the better of Frampton over the course of their two meetings, taking four points (last season, arguably it was Bassett recording just one point against Portishead that proved to be the difference in denying them the title). After their draw with Cheltenham Town Development last week, Bassett knew that three points against Swindon would essentially guarantee them first place unless Frampton won against Laverstock and Ford by a huge margin. That was always going to be easier said than done though, with Swindon having proved extremely tough opponents in a 2-1 triumph earlier in the year. And having not recorded a win the previous week, Bassett had put themselves under a great amount of pressure for their final fixture but it was pressure they handled to take the title.

Season 2019-20

Welcome to the Gerard Buxton Ground for this Women's FA Cup Preliminary Round encounter with Chipping Sodbury Town. A special warm welcome to the players, officials and spectators from Chipping Sodbury Town who have made the journey to Wiltshire today. We hope they enjoy their short stay with us this afternoon and we wish you a safe journey home.

Our record in the Women's version of the FA Cup is not particularly good, with Season 2013-14 being the only season when we have won a game in the 8 matches we have played in this competition. I am sure Jonny and James will be keen for the Ladies to improve on that record here today but it will not be easy against a good Chipping Sodbury Town side who finished third last season in the Gloucestershire County Women's Football League Division 1 to gain promotion to the South West Regional Women's Football League's newly formed North Division (the same level we were at last season). I am sure both teams will be looking forward to competitive action after their pre-season preparation and after watching the excitement of the Women's World Cup during the summer. I know all involved in the club are pleased that we were able to help Phil Neville and his side with a behind closed doors training session here at the Gerard Buxton Ground as part of their preparation for the World Cup.

County Cup Draw

The draw for the First Round of the Women's Wiltshire County Cup has now been made and the Ladies will begin the defence of their County Cup crown with a tie at home against Laverstock & Ford, with the fixture scheduled to take place on Sunday 15th September. To be honest I am not sure why this competition is starting so early when there are only 3 rounds before the final, there are early rounds of the FA Cup still being played and it means the home league fixture against Bishops Lydeard, scheduled for that day, will need to be rescheduled and we will not be at home in the league now until the end of the month.

Finally I hope you all enjoy today's encounter in the prestigious FA Cup, neither side playing here today will make the final but you can be sure both will be keen to go as far as possible in this season's competition and I am sure you are in for a good game.

Maddy Elliott

2019-20 Sponsor: Sarsen Kennel & Cattery

A player with a real engine and desire to work hard, Elliott proved to be vitally important at the tail end of the title winning season and performed various roles exceptionally. She is another who has had a good pre-season and will be looking to kick on again this time around.

Afternoon all and welcome back.

This afternoon is the first competitive game of what we hope will be another successful season for the club. Pre-season has been a mixed bag which was only to be expected with the change in personnel and the style of how we play. The ladies are working very hard to try to gel together as quick as possible and the efforts during the summer have

been superb.

The off-season has seen us bring in some new, quality players to add to what we already had. It was important that we replaced those players who we knew were moving on and I think we have done that successfully. We are delighted that we managed to get almost all of the targets we had in mind and they have bought into what we as a club are trying to do. We now have a squad with options in every position and that increased competition is only going to help improve everyone going forward.

A warm welcome to our visitors today who themselves had a successful season last campaign and will be competing at a higher level this year. They should provide a stern test in a competition that we were keen to go further in this time around. Please enjoy the game and support the ladies as much as possible!

James & Jonny

Following on from a successful season the ladies and myself are keen to push on and demonstrate what we are aiming to achieve as a club. Having lost a few players to university we have had an influx of new young signings so pre-season

has been vital to creating the bond between those experienced players who remained and the new boost of young energy! I am honoured to captain the ladies again for the upcoming season in what will be a challenging test for us all playing at a higher level, but one I believe we are capable of as a team. We look forward to welcoming Chipping Sodbury in what we hope will be an entertaining game and also the first FA cup match in which some of the team will have played. Lastly I would like to pass on a big thank you from all the ladies for those people that have kindly sponsored individuals and their on going support! Here's to what we hope will be an exciting season of football both on and off the pitch.

First Ever FA Cup Game for RWBT FC Ladies

Ladies Fade Late After Causing a Cup Scare

Sunday 30 Sep 2012 - Wootton Bassett Town 2 Southampton 6

Despite the final score reading 6-2 in favour of Southampton Women's FC, Wootton Bassett Town Ladies can be proud of their FA Women's Cup debut after frustrating their heavily favoured opponents for a large portion of the match. It was only in the final half hour that the visitors were able to clinch the match and seal progress to the Second Qualifying round. Bassett, playing a side three divisions above them, were able to match Southampton for long periods. Defending bravely, this allowed goals from April Polden and Katy Edwards to ensure the teams were locked at 2-2. But with the home side's legs tiring, the Hampshire outfit were able to demonstrate their added class and added four goals without reply in the closing stages. Despite falling at the first hurdle, it was a satisfying day for Bassett and their players. Their great play over the previous three seasons – with three consecutive runners-up finishes – has taken them to the top division of the Gloucestershire County League and enabled them to feature in a national competition. If that progress continues, it hopefully won't be too many seasons before the team are claiming an historic first win and a cup run to savour.

Women's Football in Chipping Sodbury is not a new thing. The town had a Ladies XI back in the 1940's but little is known about them.

Chipping Sodbury Ladies football was reborn on 4th September 2016 when

the newly formed team joined the Gloucestershire County Women's Football League Division 2. Their first season saw the title decided in March 2017, when 'The Sods' and Frampton Rangers Ladies met twice. The first encounter on 5th March at the Frampton Ground, ended with 'The Sods walking away with all 3 points after Rosanna Blacker scored two goals and Frampton did not reply. If the Chipping Sodbury Ladies could win or draw against Frampton the following week back at the Ridings, the championship was virtually in the bag. Unfortunately for Chipping Sodbury the following Sunday the Ladies went down 0 - 5 to Frampton and even though 'The Sods' won their last game, they lost the championship on goal difference. In the Cup, they reached the semi-finals and only just lost by a single goal to the eventual cup winners Almondsbury UWE. League runners-up and a semi-final cup finish in their first season was a great start for the club.

2017/18 Season saw the Ladies appear in Division 1 after their promotion. The opposition was better and the games were tougher but they had another great season and finished 4th in the league. Their cup run was halted by their old foes Frampton Rangers in the quarter finals by 2 goals to 3. Our goals coming from S.Haynes and H.Tuckwell. A higher league finish and a better cup run than the season before was the aim in season 2018/19 and the Ladies did not disappoint. A first time appearance in the Women's F.A.Cup with a 3rd place finish in the league and a fantastic cup run, saw the Sodbury Ladies have their most successful season yet. The final of the cup in April did not go the way the Ladies wanted and so were runners-up to the league and double winners Bristol Ladies Union. The final league table is shown to the right.
