## Today's Visitors

Welcome to the Gerard Buxton Sports Ground for our second South West Regional Women's League Premier Division fixture of the season against league leaders Callington Town. A special warm welcome to the players, officials and spectators from Callington who have made the long 160 mile journey to the Gerard Buxton Sports Ground today from Cornwall. We hope you enjoy your short stay with us this afternoon and we wish you a safe journey home.

Callington have made a brilliant start to their league season winning all three of their opening league games and, like ourselves, have yet to concede a goal in any of their competitive games so far this season. Callington did not enter the FA Cup so all of their three wins to date have come in the league and they currently head the table by six points from ourselves and four other sides who have also won one game. Last season Callington finished in third place in the table and have strengthened over the summer with a couple of new signings from Torquay United Ladies, including the prolific Gabi Alphous who has already scored four times in those opening three league fixtures. The defence will certainly have their clean sheet record put to the test this afternoon and today should be a good test as to how we are going to do this season, our first ever at this level of women's football.

## F.A. Cup Success and Draw For Next Round

Well done to all involved in the Ladies side with last week's emphatic FA Cup win over Torquay United which saw us through to the Second Qualifying Round where we will meet Portishead Ladies, the game being scheduled for Sunday 6th October at Portishead. This FA Cup game now replaces the league fixture which would have been against the same opponents at the same venue. Of the teams that Royal Wootton Bassett Town could have drawn, to have someone from your own division is not a bad outcome. In my view Whilst it would have been nice to have had Swindon Town, Southampton or Cheltenham Town, secure a win against Portishead and we might get to play one of these Ladies sides from the bigger clubs in the next round. The full Second Qualifying Round draw is included in today's programme, along with the list of 24 sides that are exempt until the Second Round Proper and the 23 sides who are exempt to the Fourth Round Proper. In putting this together I was shocked to see that the top sides are fully exempt until the round of 32 teams meaning that just 9 sides can make it through to play against one of the top sides from those teams who are playing in the Second Qualifying Round and the 24 who join at the Second round stage. The odds of reaching the Fourth Round proper are certainly stacked against clubs at our level and in the interests of further developing interest in the women's game I would suggest that the FA need to bring these teams in a round earlier. Just a thought.

Enjoy today's game and it will certainly be interesting to see how the two strong defences cope today against the two strong forward lines. Should be a cracker!

## Abi Footner

**2019-20 Sponsor: Sparkles Window Cleaning (Melksham)**

Abi was a regular last season – her first with the club, playing every game for Bassett and keeping a lot of clean sheets in the process. She made some vital saves last season to help the team on their way to promotion. Footner brings a wealth of experience and is a presence both on and off the pitch. From her position in goal, she gives guidance from the back and commands her box excellently.

Welcome to the Gerard Buxton Sports Ground and thank you for coming along to support us! It was great to see a decent crowd last week for our FA Cup 1st qualifying round game against Torquay. We know that the ladies appreciated every bit of support and they were thrilled to make a small bit of history in being the first group of players in Bassett Ladies history to progress two rounds in the FA Cup. This group of players have an amazing desire to improve each week and their hunger and desire to succeed means this is an exciting time for the club. As managers, and hopefully as supporters, we know that no matter what the result is, the players will have given their all and will continue to work just as hard, if not harder each week in training. As mentioned, last week saw the club progress through more FA Cup rounds that ever before and did so in style. Bassett dominated the ball from start to finish and really dictated the game throughout. Despite some unconvincing finishing, Bassett still managed to get themselves on the scoresheet multiple times and it was great to see three players score braces. The fourth clean sheet from four games was a massive bonus and credit goes to goalkeepers Alice and Abi, who returned after a couple of weeks out with injury, as well as the approach of all the players in front of them to continually stick to our principles and protect the goal at all costs. Our defensive line showed great composure from start to finish, looking assured both on and off the ball. This gave the forward players a great platform from which to build. Each part of the team is starting to come together and the potential of the group is starting to appear for all to see.

Today's opponents have a 100% league record and, like ourselves, haven't conceded a goal yet this season. Callington will come wanting to prove why they're one of the favourites for the title and we expect a very tough game. We wish to extend a warm welcome to the coaches, players and supporters from Callington Town Ladies and hope they enjoy their time with us today. We hope you enjoy the game and please get behind the ladies as much as you can!

## James & Jonny

Today we are back to league action following a few weeks of cup games. Seeing off Torquay United Ladies last weekend in astonishing fashion in the FA Cup we are keen to turn that focus back to the league. Having only played one league game so far this season we meet Callington Town today who sit at the head of the table. We are expecting a contest as they too have had a 100% start to the season having also not conceded. If we go in the game with the same mentality and tempo to which we did for the FA Cup I have no doubt that we can put up a stern test for the visitors. We look forward to welcoming Callington Town to the Gerard Buxton Sports Ground in what we hope will be an entertaining game for both players and supporters and we'd like to thank everyone for their continued support.

Callington opened their season with a 9-0 home win over Torquay United Ladies. This was followed by an excellent 3-0 away win over newly promoted Bideford Ladies. Last Sunday they produced their best result of the season by defeating last season's runners-up Keynsham Town Development 5-0. Callington Town Football Club is a football club based in Callington, Cornwall, England. The Men's side are currently members of South West Peninsula League Premier Division West and play at Marshfield Parc. The club was established in 1989 and joined the East Cornwall Combination the following year. They were runners-up in 1994–95 and went on to win back-to-back league titles in 1997–98 and 1998–99. After their second East Cornwall Combination title they moved up to the South Western League, where they spent several seasons in lower-mid table, finishing bottom of the league in 2003–04. In 2007 Callington became founder members of the South West Peninsula League, and were placed in Division One West. In 2013–14 the club won the division, earning promotion to the Premier Division; they also won the Cornwall Charity Cup. The following season saw them win the league's Charity Vase. Following league reorganisation at the end of the 2018–19 season, the club were placed in the Premier Division West.

The club has a strong ladies section, now running two sides from the start of this season. From historic league tables on Mitoo it looks like they started in Season 2007-8 in Division 2 of the Cornwall Women's League. They were Division 2 champions in 2009-10 gaining promotion to the top division of county football. They were to achieve back-to-back promotions as in their first season in the top division of the Cornwall League they finished in second place, only losing out on the league title on goal difference to Dobwalls. Promotion meant joining the South West Women's Football League Western Division 1 for Season 2011-12. It has not been possible to trace league tables for the first two seasons but during that period they won the Cornwall County FA Cup for the first time and also the Bristol Soccerworld Cup. Season 2014-15 saw them finish in 3rd place in the Western Division 1 and the following season they went one better finishing as runners-up, a feat they repeated in 2016-17 when they also won the County Cup for a second time. Season 2017-18 was to be a memorable one as they won the Division 1 title but also once again won the Cornwall County Cup as they achieved the "double". The title gave them promotion to the Premier Division and Callington Town are now the highest ranked women's team in Cornwall. That first season saw them finish in third place, a great achievement for the first season at the higher level. Known for their excellent team spirit, the ladies' usually maintain a large squad of players and as noted above, are running a second side this coming season who play in the Cornwall Women's League where the first team started.

## Bassett domin-eight Gulls in Cup triumph

**Royal Wootton Bassett Town Ladies 8 Torquay United Ladies 0**  
Sunday 22nd September 2019

Royal Wootton Bassett Town Ladies' fine start to the season continued as they stuck eight goals without reply past Torquay United to march into the Women's FA Cup second qualifying round. Madeline Elliott, Hannah Gulliver and Hayley Huckin all notched twice, while the team's stingy defence recorded a fourth consecutive clean sheet.

Bassett set out their attacking stall from the off and could have been a goal ahead after just five minutes but Lauren Kayll applied too much power to her shot when picked out unmarked by a Huckin cross. Minutes later Huckin was denied by the Torquay 'keeper Leanne Robbins after a lucky bounce had fallen Gulliver's way on the wing. The inevitable opener arrived on 17 minutes as Huckin timed her run perfectly to beat the offside trap and lifted a lob from 25 yards over the advancing Robbins. Bassett's lead was quickly doubled when Elliott beat her marker and lifted a cool effort over the 'keeper and in off the post. Huckin then twice shot straight at Robbins as the visitors struggled mightily to cope with the pressure they were under. Another quick-fire two-goal salvo ultimately saw Bassett 4-0 up after 35 minutes. An unmarked Huckin beat her defender and shot a powerful drive through the 'keeper's hands before Lisa Coe swept home from a corner after Huckin had seen an effort blocked and turned around the post.

Bassett could have been forgiven for taking their foot off the gas given the position they were in at the break. But they did not relent. Elliott struck just over the bar before Kayll fired straight at the busy Robbins. A fine passing move that began in defence was then rounded off by Elliott, slotting in from Huckin's square pass in the 55th minute. After Huckin hit the bar, the follow up from Elliott forcing a great save, Grace Eagles was on hand to make it six. Kayll looked to have sent a one-on-one effort narrowly wide, but Eagles had gambled and was able to divert the ball home at the last moment. Torquay did manage to hit the post with quarter of an hour to go, and it was somewhat fortunate that Charlotte Dymond's angled effort didn't go in with the rebound falling into the grateful arms of Bassett 'keeper Abi Footner. But the majority of the action continued at the other end. And Gulliver netted twice late on. Her first came as she raced onto a ball over the top and hit a shot that proved too powerful for Robbins to keep out. Gulliver then latched onto a Kayll pass, rounded the 'keeper and slotted home.

Bassett will now take part in the competition's second qualifying round for only the second ever time - and on their current form it would be unwise to bet against them advancing even further.

## Next Away Game—Travel Details

Our next away game is on Sunday 6th October 2019 when we travel to play Portishead Ladies in the F.A. Cup 2nd Qualifying Round. The ground address, including the postcode for your Sat Navs, is Portishead Town FC, Bristol Road. Portishead. **BS20 6QG** .

**Callington Town** Ladies made it three wins from three on Sunday in the only Premier Division fixture played due to the FA Cup. Whilst they had put 9 goals past Torquay United on the opening day of the season, this was arguably their best result of the season as they defeated last season's Premier Division runners-up **Keynsham Town Development** 5-0. Star of the show was summer signing Gabi Alphous who bagged a brace taking her to four for the season, Samantha Veal scored direct from a corner, Dani Harper and Sam Kotlinska with the other Callington goals.

In the FA Cup, whilst **Royal Wootton Bassett Town** were beating fellow Premier Division side **Torquay United Ladies** 8-0 (see elsewhere in the programme for the match report from this game), five other sides from the Premier Division were in action and two of them joined Royal Wootton Bassett Town in the next round.

A solitary goal from Isabel Scott gave **Marine Academy Plymouth** a narrow 1-0 win over Almondsbury. The other winners on Sunday were **Portishead Ladies**, who will be our opponents in the next round, in made it through to the Second Qualifying Round courtesy of an extra-time win over fellow Premier League side **Middlezoy Rovers** after it finished 1-1 at the end of normal time. Scorers for Portishead were Nat Zajaczkowski, Shannon Holloway and an own goal, this after Georgia Coles had given Middlezoy a 1-0 half time lead. Goals from Poppy Cloke, Bethaney Ellis and Katelyn McKane were not enough for **Bideford Ladies** as they lost 9-3 away at Winchester City Flyers. Also going out of the competition were **Ilminster Town** who lost 4-1 after extra time at home to Portsmouth based side Moneyfields. Again the game had finished 1-1 after 90 minutes but three unanswered goals saw Moneyfields progress to the next round. Sarah Miller having put Ilminster 1-0 up in the first half but an equaliser on the hour mark led to the extra-time. Division One Eastern side Sherbourne Town are also in the next round after a 12-0 away win on the Isle of Wight against Shanklin.
