Ladies stick seven past Sods to advance in Women's FA Cup

Royal Wootton Bassett Town 7 Chipping Sodbury Town 0

Gerard Buxton Sports Ground, 1st September 2019

Royal Wootton Bassett Town Ladies began their 2019-20 season with a convincing 7-0 victory against Chipping Sodbury Town in the Women's FA Cup preliminary round.

Recording only the second ever win in the competition in the club's history, Bassett romped to victory on the back of braces from Maddy Elliott, Hannah Gulliver and Hayley Huckin, with substitute Ellie Hayward completing the scoring.

Bassett had their South West Regional Women's Football League Northern Division visitors pinned deep in their own half from the first whistle.

But it took them half an hour to find a breakthrough, the hosts' finishing letting them down in the early stages. Meanwhile, the visiting 'keeper also pulled off a string of saves – most notably a double stop to deny Hayley Huckin's spectacular strike and Lauren Kayll's follow up - to keep the scores deadlocked.

However, Elliott eventually provided the inevitable first goal, tap in after Huckin beat her marker and squared to her strike partner.

Huckin then added a third seven minutes before the interval, slotting home from the penalty spot after a foul on Kayll.

Bassett kept their foot on the gas after the restart. On 50 minutes Huckin again raced through before selflessly passing to Elliott for her second of the match.

Gulliver soon made it 5-0. The visitors failed to clear their lines from a Laura Jefferies corner and the ball fell to the feet of Gulliver who sent a looping effort over the 'keeper and into the back of the net.

Huckin grabbed her team's sixth shortly after the hour mark, using her pace to beat the last defender before lifting a deft chip over the onrushing 'keeper.

Bassett stopper Abi Footner was brought into action with ten minutes to go, tipping around the post for a corner. But that was really the extent of her involvement in the game.

Instead, the action continued to be concentrated at the other end.

Substitute Sophie Smith shot agonisingly wide of the post with four minutes to go before Eloise Hayward completed the scoring, slotting home after latching onto Beth Kelloway's through ball.

Today's Visitors

Welcome to the Gerard Buxton Ground for this Wiltshire Women's Cup first round tie against Laverstock & Ford as the Ladies start the defence of the cup they won back in March with that 9-0 win in the final over Swindon Spitfires. Last season's route to the final included a tough semi-final win over today's opponents Laverstock & Ford, goals that afternoon coming from Hayley Huckin and an own goal.

A special warm welcome to the players, officials and spectators from Laverstock & Ford who have made the journey to the Gerard Buxton Ground from South Wiltshire today. We hope they enjoy their short stay with us this afternoon and we wish you a safe journey home.

Laverstock & Ford got their season underway last week when they shared the points with Trowbridge Town following a 1-1 draw and if they played like they did in last season's semi final we are in for another tough game today.

Start to the Season

What a great start to the season the Ladies side has made with a 7-0 win in the FA Cup against Chipping Sodbury Town being followed by that 5-0 away league win at Marine Academy Plymouth in our first ever Premier Division fixture. Two games, two wins and I am sure Jonny and James will also be particularly pleased with two clean sheets. How our Men's First Team could do with keeping a clean sheet at this moment in time! Match reports on both these two games are included in today's programme.

Hopefully the Ladies can build on this great start to the season with another win today to ensure we continue our interest in both external competitions as well as the league.

Ladies FA Cup

The prize for defeating Chipping Sodbury Ladies in the FA Cup Preliminary Round is a home tie next Sunday in the First Qualifying Round against Torquay Ladies here at the Gerard Buxton Ground. The prize money for winning the game next week is £400 which would certainly put a smile on the Club Treasurers face if the Ladies could pull off another cup success. If we get through against Torquay there is a possibility that we could draw the likes of Swindon Town, Cheltenham Town, Exeter City or Southampton. Other big name clubs who enter at that stage are Wolves, Norwich City and Leeds United.

Finally I hope you all enjoy today's encounter in the Wiltshire Women's Cup and don't forget that big FA Cup game here next Sunday against Torquay United.

2019-20 Sponsor: Future of Football

Beth joins Bassett from last season's title rivals Frampton Rangers after impressing during the course of the campaign. A cultured, technically gifted midfielder who is calm in possession and has the ability to dictate the game from the middle of the park, she will be expected to slot straight in and dominate games from midfield.

Afternoon all,

It's nice to be entering today after two very positive results. Firstly it was brilliant to make progress in the FA Cup with a comfortable 7-0 win at home to Chipping Sodbury. The ladies put in a very mature performance and dominated from start to finish. It was great to see our ideas from pre-season being put into place and hopefully we can replicate this again when we play Torquay in the next round.

Last weekend we made the long trip to Devon to play a much fancied Marine side who did well last campaign. It was always going to be a nervy start with both teams trying to figure out the standard of the opposition. Once we got through this we went 2-0 ahead and from then on it was quite comfortable. I don't think 5-0 in the end flattered us but the surprising thing is we really were not at our best. We definitely have another few gears we could have gone through and that goes to show how strong this squad is. It was brilliant to see the players making positive impacts from the bench and that is going to be needed this season.

We are missing a few players today but it is an opportunity for a few to get good minutes in a competition we aim to win again this season.

A warm welcome to our visitors Laverstock today who we have had many good battles with last season. They are a side who always provide a good test and one we are really looking forward to.

Please enjoy the game and support the ladies as much as possible!

James & Jonny

Boosted by our convincing 7-0 FA cup win it was crucial to switch our focus to the league and endure our first away journey to Plymouth. There were mixed feelings going in to the game, judging the level of football we were going to be up against. Starting off relatively slowly, with a few player changes we remained disciplined and once nerves calmed we settled in to the game well and the goals soon came, with our young debutant goalie Alice contributing to a comfortable clean sheet. Today we welcome back Laverstock and Ford who have always provided us with a competitive game in previous meetings, hoping for more cup success. Building on what has been a positive start to the season in which seven different players are already on the score board we are excited to go again at home today. We'd like to thank everyone for their continued support on match days, especially Steve Green for travelling down to Plymouth to photograph the game.

The cup semi final was a tight affair settled by a Hayley Huckin goal five minutes from time. After Bassett had seen a half time lead cancelled out by a headed effort from Laverstock & Ford, Huckin latched onto a fine Lauren Kayll pass with time winding down and proceeded to beat her marker in a foot race before coolly finding the net to finally break Laverstock & Ford's brave, obdurate resistance. The opening half had been a tight affair, though Bassett were able to go into the break a goal to the good, benefiting from the fortune of an own goal. They went close to doubling their lead shortly after the restart as Emily Arrell saw a shot blocked, with the rebound falling to Holly Baker who fired narrowly wide. Laverstock then got back on level terms, as a hanging free kick was floated into the Bassett penalty area and headed home by Kelly Burton. Both teams then pushed for that all important third goal of the game. And Bassett were left cursing their luck as twice Laverstock were able to muster goal line clearances to preserve parity. On the first occasion, a deflected shot from Arrell went over via the crossbar. And from the resulting corner, Bassett were unable to force the ball in despite a scramble in the box. Laverstock had their moments too as the second half progressed and were arguably on top in the game's closing stages. Yet, with extra time looming, Kayll produced an outstanding pass that set up the speedy Huckin to deliver the goal that booked Bassett's place in the final.

The two league meetings were not so close affairs. The first meeting took place at Laverstock & Ford in December and two goals from Lisa Coe plus one a piece for Emma Sykes, Emily Arrell and Holly Baker gave Bassett an excellent 5-0 away win. The second league meeting took place a month after that tense cup semi final but there was to be no repeat of that tight affair as Bassett won by an emphatic 10-1 score line at the Gerard Buxton Ground. Emily Arrell was once again amongst the goals as she hit five in a great individual performance, Hayley Huckin fired a hat-trick with the other two goals coming courtesy of Lauren Kayll and Laura Jefferies. The two sides had also met in the Wiltshire Women's cup back in Season 2017-18, this time at the quarter final stage, with Bassett once again coming out on top in a 6-2 win, the goals coming from Laura Gammon with a hat-trick, Beth Westlake with two and Hayley Huckin getting the sixth. This means that Bassett go into today's tie with a 100% record against our opponents.

In 1942 Laverstock and Ford Sports Club was formed under the partonage of Dr Hill, the owner of Laverstock House to promote sport and foster community spirit for the parish as a whole. This was based in the old school room situated on the south side of the green then known as 'The Clump' in the middle of the village. It was described as a brick and tiled, span roofed building containing one room of 24'8" x 20'8" and a height of 13'10" with a boarded floor, a fireplace and an entrance porch of 6' x 3'6". When first opened there was no money to purchase furniture so the tables were beer barrels and the seating upturned beer crates. There were additional outdoor activities during the war years of cricket and football. The changing room being an old railway carriage situated at the bottom of the field, then a row of dutch elm trees in line with the trees on the church ground.

This was a mens only 'members club' but ladies could be invited as a guest on Friday evenings only. The premises were provided free of charge by Dr. Hill who became president but the club was obliged to vacate these premises due to the sale of the estate following Dr. Hill's death in the early 50's. The club then moved to it's present location, purchasing the sports field from the landowner, Mr Lathon, trustee of the club. A wooden building was erected approximately where the car park is now. This contained a bar/lounge area, a games room - snooker table and table tennis, and changing rooms. At a later date the land between the trees and the river was purchased, the trees had to be removed when they were found to have dutch elm disease. Funds were raised to build our current club in the 60's which has been added to and altered over the years. The land between the gardens of the properties in Elm Close and the river was purchased in the 90's.

Today Laverstock & Ford Football Club is an important part of the local community and welcomes everyone of all ages to enjoy the facilities. Families are an integral part of the club's existence and they often put on family entertainment, hold kids parties and encourage children to enjoy sport using their grounds. Laverstock & Ford Ladies team has been going for a few seasons now and play in the South West Women's Regional League Division 1 Eastern, having been promoted from the Wiltshire League at the end of Season 2017-18. There first season in the higher league saw them finish in a creditable 7th position.

Five-star Ladies off to a perfect start

Marine Academy Plymouth 0 Royal Wootton Bassett Town 5

Sunday 8th September 2019

Royal Wootton Bassett Town Ladies began life in the South West Regional Women's Football League in perfect fashion, defeating Marine Academy Plymouth 5-0.

Big winners in the Women's FA Cup last week, goals from Lauren Kayll, Hannah Gulliver, Laura Jefferies and Aly Lyons, as well as an own goal, meant they repeated that trick in their opening league fixture.

The visitors went ahead just before the half hour mark, Kayll slotting home after latching onto Hayley Huckin's through ball to complete a well-worked move that had started deep inside their own half.

Eight minutes later, their lead was doubled as great work down the right wing opened up space for a cross which was diverted into the net off a Marine Academy defender.

Despite trailing Marine Academy were still in the game. And they were nearly rewarded five minutes after the restart when an Amber Hadrill shot forced a good save from Bassett 'keeper Alice Farnell.

Eventually though Bassett all but sealed the points when Gulliver fired home at the far post from Grace Eagles' cross.

That goal was then followed by Jefferies scoring, not for the first time, directly from a corner.

A fifth soon followed. Sophie Smith's surging run didn't receive the reward it deserved as her shot was saved, but Lyons was on hand to put away the rebound and add further gloss to a superb start to the season..

Hannah Gulliver, Madeline Elliott and Hayley Huckin who are all amongst the league's leading scorers after two weeks of the season

There were a full set of fixtures scheduled on the opening Sunday in the Premier Division of the South West Regional Women's Football League Premier Division but only four results due to unfortunate circumstances which saw the game between **Ilminster Town** and **Portishead Town** abandoned when Ilminster central defender Sammie Knight suffered a double fracture to her right leg (fibula and tibia). Sammie had to be airlifted to Southmead hospital where on Monday morning she had surgery to correct and pin the break. Sammie only returned to playing towards the end of last season after suffering a similar injury at the end of the 2017-18 Season and everyone at Royal Wootton Bassett Town wishes Sammie a speedy recovery from her latest injury setback.

Biggest winners of the day in the games that were completed were **Callington Town Ladies** who smashed nine past our FA Cup opponents next week, **Torquay United**, without reply. Two goals for Gabi Alphous, Keri-Ann Moxom and Ezme Wells, with one a piece for Jodie Smith, Dani Harper and Sam Kolinska.

Goals from Hannah Gulliver, Laura Jefferies, Lauren Kayll, Aly Lyons gave **Royal Wootton Bassett Town Ladies** a great start to the season and certainly made the long journey down to **Marine Academy Plymouth** a pleasant day out for players and fans alike. A match report of the game is elsewhere in today's programme.

Two goals from Yazmin Laver did the damage for **Keynsham Town Ladies** in their 2-0 win over **Middlezoy Ladies**. In the final game played, home side Bishops Lydeard got the better of visitors Bideford, with Nicola Brown and Amber Guy-Kemp both scoring twice for the home side, Emma Stoneman and Samantha Ayres replying for the visitors as Bishops Lydeard won 4-2.
