# Welcome to Today's Game

## Welcome to Brentford Women FC

Welcome to the Gerard Buxton Sports Ground for the first Ladies game of the season which happens to be in the prestigious FA Cup, with our opponents here today the Ladies side of Championship club Brentford. A special warm welcome to the players, officials and spectators from Brentford who have made the long journey down the M4 to the Gerard Buxton Sports Ground today. We hope you enjoy your short stay with us this afternoon and we wish you a safe journey home. Thank you also to Roger Crook from Brentford WFC for providing information on our visitors for inclusion in today's programme.

Last season was gearing up to be another highly successful season for our Ladies side, through to the County Cup Final, through to the semi-finals of the League Cup and in a strong position to possibly lift a second consecutive league title, however in the circumstances the decision to end the season was fully understandable and the right call to make given the risks surrounding Covid-19. It has been a tough five months for everyone across the globe. To those who have suffered the loss of a loved one, you have our deepest sympathies. We as a club lost Andy Amos, an extremely popular former coach within our Youth Section, and members from the club spoke at Andy's funeral. In order to honour the memory of Andy the club have decided to introduce an award for the Youth Section Coach of the Year in his name, which was awarded for the first time at the recent club AGM with Mark

Ellis winning the inaugural Andy Amos Award.

There have been so much devastation from this dreadful virus and we ask that all those involved in today's games follow the club's Covid-19 guidelines and requirements in order help to avoid any further loss of life. The risks around this virus are still very much around us and the season again has the potential to be disrupted, so please help us all to mitigate those risks and Play Safe by following the rules and guidelines whilst enjoying the game here today. Guidance for spectators was provided on entry to the ground and his repeated in this programme.

## Season 2019-20 Women's County Cup

The Wiltshire FA initially were looking to play last season's postponed Wiltshire County Cup Final between us and Swindon Town Ladies this coming season. In the end, as a mutually agreeable date could not found amongst all parties, the game will now not be played. Personally, I am not sure how the Wiltshire FA would have got themselves comfortable regarding player registrations across two seasons and the integrity of the competition but I guess at least it would have been the same for the two teams who had made the final. It is all academic now.

Next week the Ladies get their league campaign under way with a home game against Ilminster Ladies.

Enjoy the game.

# From The Gaffers

Afternoon all and welcome back to the Gerald Buxton Sports Ground!

The break has been a long one and football along with everything else is a lot different to how it was when we last played a competitive game. Although it may be different, I'm sure everyone agrees it's brilliant to finally have some sense of normality back to everyone's lives.

In terms of last season it was disappointing for us that it was cut short, considering we were having such a good campaign. We however learnt a lot in our first season at this level and hopefully we can kick on again this time around. It seems to me that the ladies game gets stronger every year and I think this year will be no exception. The league will be tougher with all sides looking to progress from last season.

This afternoon is the first competitive game of what we hope will be another successful season for the club. Pre-season has been physically and mentally tiring which was only to be expected with the Covid requirements and the long break. We have however had some very good performances, not that too much can be read into pre-season results. Full credit to the players who have been immense in

the work and dedication they have given to ensure we are fully prepared for the season ahead.

The off-season has seen us bring in fewer players than last year with Lois, Shannon and Lani joining us. We have a squad full of quality and it had to be the right type of player to add to what we already had. We are delighted with the three additions and they have bought into what we as a club are trying to do. We now have a squad with talented options in every position and that increased competition is going to be needed over the long season ahead.

We wish to extend a warm welcome to the staff, players and supporters from Brentford.

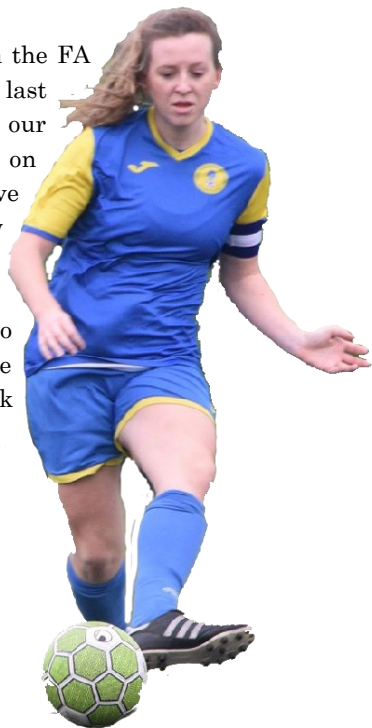

Please enjoy the game and support the ladies as much as possible!

*James & Jonny*

# Captain's Corner

Today we give a warm welcome to Brentford Women in the FA Cup and a return of our supporters. Following a halt to last seasons proceedings the ladies are keen to kick on in our first competitive fixture of the season. Hoping to build on the success of our FA Cup run last season the ladies have been working hard in preseason. Welcoming a few new signings and retaining the majority of last years squad the intensity and style of football has been exciting to see. Fitting in five preseason games has enabled us to work on many aspects on the pitch which I hope we are able to take in to each game this season. Welcome back and enjoy the game!

Unfortunately due to a lack of maintenance on historic Mitoo and FA Full Time sites it has not been possible to complete the usual full 10-year look back at today's opponents. With no equivalent of the Non-League Club Directory for the women's game and limited websites covering historic league tables it is a frustrating experience trying to track down historical information on the women's game. Thank you to Roger Crook from Brentford for providing information for a number of seasons.

# Opponents History

Brentford Women's Football Club were formed by Roger Crook in July 1990 in response to the demands from his daughter Amy to play football. Both are today part of the matchday team at Championship club Brentford. Roger is also the Vice Chairman and Registration Secretary of the Greater London Women's Football League.

The club started out as an U14 team playing in friendly matches, before entering the Greater London Women's League in the 1991-92 season. At that time, their division comprised just four teams with Arsenal, Wimbledon and Walton and Hersham making up the numbers. Brentford had a tough baptism season, conceding 161 goals including a record loss of 26-1 against Arsenal. They ended the season with no points after playing each team three times.

In 1992-93 the division expanded to nine teams, and in 1993-94 Brentford also joined the Thames Valley League U15 league to keep travelling times more reasonable. In 1994-95 they moved again to the Southern Girls Youth League U17's. The final move was the re-join the Greater London Women's Football League in 1995-96 as the group were now eligible to play senior age football. Throughout this period, Roger with the incredible support of his wife Maureen managed and coached the team as well handling the club secretarial duties. 1995 saw Brentford merge with a team from multinational Smithkline Beecham to become Brentford Beechams. This meant the facilities and training ground of their neighbours became available. A successful season saw Brentford finish second. In 1997-98 the league re-organised their divisions into geographical areas, and Brentford stormed Division 3 that season and were promoted as Champions to Division 2, moving up to Division 1 in 1998-99. 2002 saw the finest hour so far and the first taste of silverware

as they beat Viking Ladies 4-1 in the Middlesex Junior Cup final. 2003-4 saw more success as Brentford were now competing in the Premier Division after promotion at the end of the previous season, only to be relegated back to Division One in 2005 after two seasons of fighting relegation. In 2004 the club was awarded the FA Charter Standard Award which they have retained ever since.

In 2005-06 Brentford merged with Viking Ladies and expanded to six teams from U11 to adult, with the U15 and U13 girls both cup finalists that season, and in 2007-2008 the two younger teams won their respective divisions. The Youth section sides continued to flourish, and the first team also continued to improve and were promoted to the London and South East Women's Regional League in 2011-12.

Season 2013-14 was a landmark season for the Club as the first team became treble winners as champions of Division 1 of their league and winners of the John Greenacre Memorial Trophy (League Cup) and the Middlesex County Intermediate Women's Cup.

Since 2014 there have been both ups and downs with competition for players fierce and with many strong clubs in and around West London. Currently Brentford consists of a first team and a development team, comprising players aged 16 and over. There is a team of committed and qualified coaches headed up by Karleigh Osborne with a very real positive feel around the club with a group of talented footballers from the youngest at 16 to the most experienced players who have been there for as much as 16 years. Over 30 years some 1,500 players have passed through the club. Brentford currently play in Division One of the Greater London Women's Football League (Step 7).

# Step Back in Time

Looking back in time to see what was happening for RWBTFC in the Ladies Section 1 Year Ago, 5 years ago and 10 years ago.

2019-20

This time last season the Ladies were putting in an impressive performance away at Marine Academy Plymouth to send a message to the rest of the division that Royal Wootton Bassett Town were going to make a big impression in their first season at Step 5. Goals from Hannah Gulliver, Lauren Kayll, Aly Lyons, Laura Jefferies and an own goal secured a 5-0 win for Bassett over a side that had finished 4th the previous season.

2015-16

Royal Wootton Bassett Town, like this afternoon, were again in FA Cup action in Season 2015-16 with a game on Sunday 6th September in the First Qualifying Round when Downend Flyers were the visitors to the Gerard Buxton Sports Ground. There was no happy ending on this Sunday afternoon though, as Bassett crashed out of the prestigious competition in their opening fixture in the competition that season, losing 5-1 with just an Emily Bogg goal to show for their efforts.

2010-11

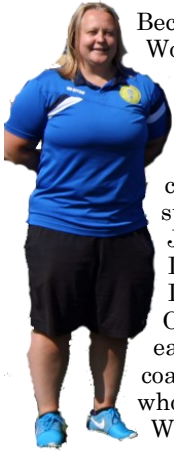

Sunday 5th September 2010 saw a big win for Wootton Bassett Town in their opening fixture of the season in the Gloucestershire County League Division 3. A hat-trick from Amy Longo, two for both Yazz Spratt and Lauren Walker, plus one apiece for E Blake and Megan James secured Bassett a massive 9-0 away win at Wiltshire Area FC, a side who were to finish bottom of the table come the season end.

# Bassett Ladies Legends

## Becky Gammon

Becky was manager of Royal Wootton Bassett Town Ladies for five years from Season 2012-13. Becky had started her football coaching and managerial career in youth football as a successful manager at Croft Juniors in the Swindon & District and North Wilts & District Youth Leagues. One of her players in the early days of her youth coaching was Dale Richards who later moved to Royal Wootton Bassett Town's youth section and to date has played 176 times for our men's first team. It was whilst still coaching the youngsters that Becky joined Royal Wootton Bassett Town Ladies as a player when the Ladies side was re-formed in Season 2009-10 and entered the Gloucestershire County League Division 3. Becky continued to play for the Ladies side for another two seasons, with the side finishing as runners-up in the league for three consecutive seasons. This run of success saw the Ladies promoted to Division 1 at the end of Season 2011-12 but during that season Becky suffered a serious injury early on which ruled her out for the rest of the season and was to bring her playing days to an end.

Season 2012-13 saw the management team of Bryan Wood and Greg Pilsworth step down with Ann Nicholas taking over as manager with Becky as her assistant. The two were tasked with keeping the side in Division 1 which they easily achieved with a fourth-place finish. Season 2013-14 then saw Becky take over as manager of the Ladies side, but they were unable to match the previous season's effort, slipping to 8th place in the final table. They did, however, make the final of the Wiltshire County Cup but unfortunately lost 7-1 to Swindon

Town Ladies in the final.

The following two seasons saw the side consolidate their position within what was now an enlarged Division 1 of the Gloucestershire League, achieving a 5th place finish in both seasons. The following season, Season 2016-17 was to be a momentous one for the Ladies side as Becky's wife Laura fired the side to runners-up position in the league with 25 goals, achieving promotion to the South West Regional Women's League, Step 6 of the Women's pyramid. The Ladies also lifted the Gordon Perrott League Cup, beating Almondsbury UWE 4-3 after extra-time.

Another successful season followed in 2017-18 with Becky leading the side to runners-up spot in the Eastern Division of the South West Regional Women's League, just missing out on the title on goal difference. Becky's side also missed out on the Wiltshire County Cup for a second time, losing 2-0 to Swindon Town Development in the final.

Becky stepped down as manager of the Ladies side at the end of that 2017-18 season. After vacating the dugout, with current managers Jonny House and James Goddard being her replacements. Becky remained involved in the club for a period of time, taking on the role of Head of the Ladies Section, with Jonny and James reporting into her. However, Becky did not hold down the position for a complete season, leaving the club just after the turn of the calendar year.

During her time at the club the Ladies team had progressed from Division Three of the Gloucestershire County Women's League to finishing as runners-up in the South West Women's Football League Eastern Division and Becky can certainly look back at her time with the club with pride. Becky is definitely up there with the likes of Bryan Wood and Ian Povey as key figures in the development of the Ladies side at the club.

# Ladies Pre-season Round-up

Their successes over recent seasons means there is one primary goal for Royal Wootton Bassett Town Ladies as they get their 2020-21 campaign underway: to maintain the standards that they have set in their rise up the women's football pyramid. While that does sound like a demanding task, Jonny House and James Goddard's team are more than capable of achieving that aim. And their performances last season – their first at step five of the pyramid – demonstrate why.

Overall, 2019-20 was another year in which Bassett's Ladies played at a high level. Bassett were one of five teams who could realistically have considered themselves title contenders in the South West Regional Women's Football League Premier Division when the season was brought to a premature close, losing just two of the nine games that they played. In addition, the Ladies had reached the Wiltshire County Women's Cup final for a third year in a row and advanced further than before in the Women's FA Cup.

With that in mind, it is perhaps little surprise that the team's managers have not felt the need to substantially overhaul their squad in the summer. Indeed, only three major signings have been made, with the trio all manning attacking positions. The old adage that if it ain't broke, don't fix it appears to apply.

In goal, last season's number one Abi Footner will be pushed again by promising youngster Alice Farnell. In front of them, the managers will have a strong quartet of defenders to choose from in the form of vastly experienced club captain Laura Jefferies, reigning joint-Players' Player of the Year Lara Wilson and fellow young stars Rosie Kirk and Mollie Smith.

An abundance of talent is available to choose from in midfield. Club stalwarts Amber Egerton (who shared the Players' Player of the Year prize with Wilson), Hannah Gulliver and Lisa Coe have signed again, with Grace Eagles and Beth Kelloway – who both impressed in their debut seasons with Bassett also in the mix. Ellie Hayward, who is dual-signed with Highworth Town, and the talented Emma Sykes, who is returning from

a long-term injury, have also been retained. Joining them in the mix are new signings Shannon King and Lois Beer, both of whom join from Swindon Supermarine and add to the creative mix going forward.

Completing the trio of new signings is prolific forward Lani Dickinson. She joins fellow regular goal-getter Hayley Huckin – winner of the Managers' Player of the Year prize in 2019-20, Holly Baker, Maddy Elliott, Libby Davies and Aly Lyons in attack. The latter two players will be dual-signed with Melksham Town and Highworth respectively in order to get further playing time.

With plenty of familiarity already within the squad, preseason has therefore been more about getting back up to speed than going through the process of teambuilding. And, aside from one below-par performance, Bassett have enjoyed a solid build-up to their campaign.

They began their series of friendly fixtures with a convincing 14-0 victory at home against County League side Marlborough Town. A much tougher test awaited in their second match when up against FA Women's Premier League South West Division One side Larkhall Athletic. But Bassett defeated their higher-level opponents 5-2 thanks to goals from Huckin (2), Baker, Dickinson and Gulliver.

A disappointing 2-0 defeat away against Laverstock and Ford followed. But Bassett bounced back, defeating Chipping Sodbury Town 8-3 in a game in which Dickinson netted a hat-trick and Baker a brace. Their preparations for the campaign then finished with a tough fixture away against Abingdon United, with the 5-1 scoreline in favour of the Oxfordshire side concealing what was a decent performance from House and Goddard's side.

With their preparations complete, it is now back to competitive action for Bassett. The standards have been set over richly successful recent seasons. And the team is more than capable of maintaining them in 2020-21.

# Congratulations Jonny

Congratulations to Royal Wootton Bassett Town Ladies joint-manager Jonny House on his award as Adult Coach of the Year in the prestigious 2020 FA and McDonald's Grassroots Football Awards.

In his second year at the helm alongside fellow joint-manager James Goddard, Jonny helped ensure Bassett's first season at step five of the women's National League System was a hugely successful one.

Prior to the 2019-20 season being curtailed, Bassett were in the mix for the South West Women's Football League Premier Division title, while they had also reached the Wiltshire County FA Women's Cup final for the second season

in a row and progressed further than ever before in the FA Women's Cup.

The on-field success that Bassett's Ladies side continue to enjoy has been strongly influenced by the quality coaching provided by the team's joint managers. And, in receiving his nomination for the Adult Coach of the Year prize, Jonny received particular praise for being approachable and for the positive impact he has had at Bassett.

Well done again Jonny from all at the Club and congratulations also on your appointment as Head of the Women's Section.

The initial set of fixtures for the UHlsport Hellenic League have been issued for September but could be subject to change due to most of September being taken up with FA competitions.

After Tuesday's dramatic penalty shootout win we are now away to Didcot Town in the next round of the FA Cup on Saturday 12th September.

The initial set of league fixtures sees us play Easington Sports away, in midweek. The first month's fixtures also includes a trip to Fairford for the first time since last season's eventful encounter. Hopefully the game will be less controversial this coming season and Your Sport Swindon are allowed back in.

The other scheduled league fixtures for September sees us make the short trip to Gloucestershire to play Brimscombe & Thrupp, whilst another Gloucestershire side, Longlevens come to the Gerard Buxton Ground on Tuesday 29th September.
