Welcome To Today's Game

Welcome to Denham United Ladies

Welcome to the Gerard Buxton Sports Ground for this Second Qualifying Round FA Cup fixture against Denham United Ladies, who visit the Gerard Buxton Ground for the very first time. A special warm welcome to the players, officials and spectators from Denham United who have made the long journey to the Gerard Buxton Sports Ground today from Uxbridge. We hope you enjoy your short stay with us this afternoon and we wish you a safe journey home.

Denham United are now at the same level in the Women's National League System as Royal Wootton Bassett Town, playing in the London & South East Regional Women's League but they have previously played in The FA's National Women's League. They have had a mixed start to the current season winning just one of their four league games to date and currently sit second from bottom in their league but visit us here today with a good record in this competition which is highlighted later in today's programme.

Today's Referee

It is also a warm welcome today to the three match officials and in particular young referee Rhiannon Stevens who made a name for herself recently whilst referring an Under 18 Floodlit game in the Wiltshire Senior League at Calne Town. With one of the visiting players from New College suffering a neck injury in the 80th minute of the game and, with concerns about moving the player, an ambulance was called and the match abandoned. Unfortunately the paramedics did not arrive until 3.10am due to their resources being stretched on a busy night for the ambulance service, some six hours after the original call had been made during which time the New College coach Richard

Dent was having to hold the players head still and talking to him to keep him awake. Rhiannon and her mother also remained with the player until the ambulance arrived. After being taken into the ambulance the player was checked over and thankfully there was no major injury. Rhiannon and the player's coach Richard Dent certainly went above and beyond on a difficult evening for all concerned.

Match Day Programme

This is the first Ladies' programme of the current season. Unfortunately it was not possible to produce a programme for the first two league games due mainly to time constraints with First Team match programmes. We have already had to produce more programmes this season than the whole of last season and we are only just into October and in the Hellenic League it is mandatory that a programme has to be produced. This coupled with media duties I have with the Wiltshire Senior League meant something had to give. Hopefully it will be possible to continue with programmes for home games from now on but it will depend on getting information on opponents and contributions from within the Ladies Section for each game. All contributions for the programme will be gratefully received.

Season So Far

The Ladies side have made a decent start to the season so far with two wins from their opening three games. Hopefully that will continue here today in this most prestigious of competitions. Details of all our previous results and team line-ups in the Women's FA Cup games are included in today's programme. Interesting to note that Sam Wood played in the first game in the FA Cup back in 2012 and could feature again today.

Enjoy the game. *Mark*

Head of Ladies Section

Welcome to today's Vitality FA cup 2nd Qualifier game, this competition has given me a great memory, our first ever win in this competition way back in 2013/14 season, a home win over Cheltenham Civil Service. Not only did I have the pleasure of being the manager that day but witnessed a fabulous 30 yard free kick from my own daughter

Sam, that proved to be the winning goal on the day.

Sam has now agreed to take on a coaching role and is assisting Graham at training and on match days. The only other surviving player from the win that day is the team captain Laura Jefferies. The team on that day reminded me very much of our present day squad today with 3 youngsters filling the bench, having made the step up from out then U16 team and it will be very important now as it was 8 years ago for the more senior players to help guide the youngsters through some tough games this season.

It has been 13 years since we reformed the ladies team, over these years we have been blessed with the development of our new ground. We have been fortunate to have been promoted twice, been in three county cup finals and became comfortable winners in our last appearance.

I now find myself in the role as Head of Ladies & Girls section at Bassett, this role has only come from our 'award winning' wildcat session that is held on Saturday morning between 9 till 10am on the AGP. I would like to take this opportunity

to thank Mark Ellis who helped start the Wildcats three years ago. He was the person who applied for the funding from the Wiltshire County FA and from the funding we were able to provide free football sessions for girls. From these sessions we have now created two teams at U10 (pictured left) & U12 level (pictured below) and both sides are playing competitive matches this season. All the girls in these teams have come from the Wildcat sessions and both squads have over 14+ players that are all registered to play on Saturday mornings in the county league.

We are still continuing to grow as a section with plans in the pipeline to set up a new U8 team later next month. It is hoped some of the girls from our U10 & 12 teams will be present at the game today as mascot's.

I wish to extend a warm welcome to the staff, players and supporters from Denham United Ladies and hope they enjoy their small stay at the GBSG.

Please enjoy the game and support the ladies as much as possible.

Bryan

From The Dugout

I would like to extend a warm welcome to Denham United Ladies FC for today's 2nd Qualifying Round match in the Vitality Women's FA Cup.

When I was appointed as Ladies Manager in November 2020, it was mentioned to me that I would have to write programme notes for all of our Home fixtures. Little did I know that nearly a year has gone by, and today, these are my first programme notes!!

Covid reared its head during preseason training, we only managed to play 4 friendlies, winning 2, 1 loss and 1 draw. My intention was to have double that number, but two words that we have become used to 'self isolation', was still on the Agenda. I felt we were a little 'undercooked', but injuries to key players were also a factor, but we did finally arrive at our first League game on the 5th September in reasonable shape, only for Covid to strike again, and the game was postponed, I feel that might not be the only time that happens this season.

We started our season a week later, when Middlezoy Ladies were the visitors. After a shaky 10 minute spell at the start of the game, we ran out comfortable winners, 5-1. Next up were our 'bogey' team, Illminster Town, who are tipped for promotion this season. I was really pleased how we played for an hour or so, that players sticking to the game plan, but to win the game I needed to make a change and take a chance, which unfortunately resulted in a 4-0 defeat.

Last Sunday, saw the first long trip of the season, when we visited Marine Academy Plymouth, who play at Ivybridge Town FC, a really nice ground. Playing on the front foot, and being more positive, I was really

pleased with the way the players acquitted themselves against a good opponent. Despite going a goal behind, we continued to pass and move the ball really well and deserved to be level at half time. Having been involved in football for a long time now, sometimes you need a bit of luck during a game, and we had our fair share on Sunday. But when you ride your luck, we started to believe that we could win the game, the players were excellent, and we won the games with an 83rd minute winner from Hannah Gulliver. 6 points for 3 games is very pleasing.

I currently have 22 players in my squad, the mix is very good, and I was particularly pleased that the majority of the players from the previous two truncated seasons, remain with the Club, and I have supplemented that group with some very good Under 18's.

I like my team to play football the correct way, our passing and movement is getting better with every game we play, but as we all know, Football Managers are never satisfied, so we will continue to work hard at training, and get better and better. The group is full of very talented players, I hope we can produce a strong display this afternoon.

I would like to place on record my thanks to the Head of Women's Football at the Club, Bryan Wood, who has been a massive help to me. My two coaches, Samantha Wood and Martin Peters, your expertise, knowledge and help is much appreciated by myself and the players, I believe this group can continue to improve, play good football, and most importantly, enjoy playing and competing in this wonderful game.

Thank you for your support, and please enjoy the game.

Graham

From The Skipper

Good afternoon and welcome to today's FA Cup match. Having been almost a year since writing for the programme, I guess you could say a lot has changed. Following the departure of the management team and a few players to pursue scholarships in America and University studies, the Ladies Section needed an overhaul. November 2020 saw the introduction of Graham as the new Ladies Manager as well as the curtailment of another season due to Covid. Martin, although has remained as the familiar face continuing in his role as goal keeper coach, whilst Sam has returned in a player/coach role following a short spell at Highworth Town Ladies. A special thanks to Josh also who assisted the team through the transitional period and has now moved on to focus on his other teams in which he has coaching roles. With an injection of youth to the team it has been valuable to see the retention of a number of senior players to help bolster the team.

After what has felt like an eternity with no competitive fixtures and only friendlies to tick us over it was great to get underway with the season. A fine 5-1 win at home to kick start our campaign and get us points on the board was the perfect start. Unfortunately, a 4-0 defeat followed, executed by a well tuned Ilminster Ladies side. A long trip to Plymouth was up next and a late strike from Gulliver grabbed us all 3 points in a hard fought 2-1 win. Currently sitting 5th in the table there is certainly room for improvement in a journey as a team that's only just begun.

Today we turn our heads to the FA Cup, hoping to avenge our fate last time round which saw us go out on penalties 7-6 following a 1-1 draw at the full time whilst against Brentford.

A big welcome back to our home supporters to the Gerard Buxton and we would like to extend a warm welcome to Denham United, we hope you've had a safe journey to us today and we look forward to a competitive game.

Opponents In Focus

Today we face tough opposition in the Second Qualifying Round of the FA Cup form of Denham United Ladies. Based in Buckinghamshire, they are the largest all

female club in the South East of England with Ladies sides from Under 9 through to the senior side.

Their senior team ply their trade in the London and South East Regional Women's League Premier Division – at Step Five of the women's football pyramid, the same level as Bassett. They have been at step five since the 2019-20 season, having previously played at a higher level in the Women's National League Division One South East.

Denham United Ladies have significant recent pedigree In the Women's FA Cup too. In the 2010-11, 2011-12 and 2013-14

editions they reached the Second Round, losing to Charlton Athletic, Tottenham Hotspur and Lewes respectively. More recently, in 2015-16 and 2016-17 they exited in the final Fourth Qualifying round.

Last season Denham United Ladies started in the Women's FA Cup Preliminary Round, defeating Queens Park Rangers on penalties and then beating Ascot United in the next round before falling to a 1-0 loss against Maidenhead United in the Second Qualifying Round.

South West Regional Women's Premier

The constitution for the 2021-22 South West Regional Women's Football League Premier Division was announced following the league's Annual General Meeting, which was held on Monday 28 June.

Entering our third season in the division, Royal Wootton Bassett Town Ladies will be hoping to finally complete a first full season at the fifth tier of women's football after the Coronavirus pandemic curtailed both the 2019-20 and 2020-21 campaigns.

Bassett will be facing nine other teams in 2021-22, with the division having grown in size by one side as a result of restructuring in the women's game during the summer months.

Entering the division for the coming season are AFC St Austell, Sherborne Town and Forest Green Rovers. St Austell and Sherborne have been elevated from the South West Regional League Western Division, while Forest Green have been promoted from the Eastern division.

Brislington were scheduled to be in the league, moving down into the South West Regional League, having most recently having played in the FA Women's National League Division One South West, but they have subsequently withdrawn from the league. Moving in the opposite direction are Portishead Town, whose application for upwards movement was successful.

Meanwhile, Callington Town have withdrawn from the division with the manager and players having left en masse to join Liskeard Athletic FC (see later notes).

Whilst Callington Town and Portishead were strong sides it certainly looks to once again be a tough division with the new sides coming into the division.

The full constitution for the 2021-22 South West Regional Women's Football League Premier Division is as follows:

AFC St Austell
Bideford
Bishops Lydeard
Forest Green Rovers
Ilminster Town
Marine Academy Plymouth
Middlezoy Rovers
Royal Wootton Bassett Town
Sherborne Town
Torquay United.

Elsewhere in the South West Regional Women's Football League, as part of the F's upward movement exercise, the league received eight applications from Tier 7 clubs looking to join the league and all were successful. The new sides joining the league are Saltash United and Helston Ladies from Cornwall, Liverton United and Ottery St Mary from Devon, Bristol Rovers from Gloucestershire, Warminster Town Ladies from Wiltshire, and Keynsham Town and Paulton Rovers from Somerset.

The league said a sad farewell after many years with the league to Plympton Ladies, Swindon Town Spitfires, Pen-Mill Ladies, St Agnes Ladies and Callington Town Ladies.

With the ladies from Callington Town having moved en masse to form a new team within the existing structure of Liskeard Athletic FC, under the FA competition rules the league applied to the FA for Liskeard Athletic to be allowed to play at more or less the level the players were at previously. This application was successful in that they have been placed at Tier 6 and will play within the Western Division next season.

Ladies Match Reports

Royal Wootton Bassett Town 5 Middlezoy Rovers 1 South West Regional Women's League Premier Division

Royal Wootton Bassett Town Ladies recorded a convincing 5-1 victory against Middlezoy Rovers as Graham Fletcher's side started their South West Regional Women's Football League Premier Division campaign in style.

Having had something of an inconsistent pre-season, Bassett dominated throughout, recording a confident boosting win and inflicting a second heavy defeat in as many games for Middlezoy.

Libby Davies was the star of the show for Bassett. After spending last season on loan at Melksham Town in the Wiltshire County Women's League, she made a statement by scoring a hat-trick.

She grabbed her first midway through the opening period as she beat the Middlezoy 'keeper to race onto Mollie Smith's long ball over the top and tapped into an empty net.

Her pace told for her second as well. Coming shortly after the restart, Amber Egerton strode forward before releasing Davies in behind with a weighted through ball. Davies then advanced on goal before coolly slotting into the corner.

Davies hat-trick arrived after Bassett found themselves with a two-on-one situation, with Maddy Elliott unselfishly squaring to her strike partner to stroke home.

The scoring was later completed by long-serving duo Lisa Coe and Hannah Gulliver as the midfielders opened their accounts for the season.

Coe took advantage of great pressing from Holly Baker deep in Middlezoy territory.

The ball found the midfielder on the edge of the area and her shot from distance proved too strong for the visitors' 'keeper.

Gulliver then added the finish touch to a delightful move involving Baker, Davies and substitute Aly Lyons to make it five.

Bassett's margin of victory could even have been greater though. Early in the first half, Hayley Huckin crashed a penalty against the crossbar.

Middlezoy then grabbed a consolation goal in the final minute. Guilty of overplaying in their own half, Bassett cheaply gave away possession and Chloe Snook drove forward before unleashing a fierce drive from 25 yards that sailed over 'keeper Alice Farnell to deny the hosts a clean sheet.

A tougher test awaits next week when Bassett host Ilminster Town - a side against who Bassett have lost all four meetings in their history, including a pair of league defeats last season.

But the nature of this opening day win should serve the team well as they aim for a second consecutive win.

Club Volunteers In Focus

Volunteers are the lifeblood of Grass Roots Football and Royal Wootton Bassett Town are lucky to have many fantastic helpers, some of whom have been with the club for a long period of time. This season the match day programme will pay homage to some of these people without whom the club would be unable to maintain its current level of activity. Today's featured volunteer is:

Bryan Wood

Positions held at the club:

- First Team Player – 1999-2000 to 2001-02
- Res Team Asst Manager 2002-03 to 2004-05
- First Team Asst Manager 2005-06 to 2007-08
- Girls Team Manager
- Head of Ladies Section – 2009-10 to 2012-13 and 2021-22 to date.

- Sports Association representative
- Matchday refreshments kiosk and gateman

Bryan Wood joined Wootton Bassett Town as a player from Purton in Season 1999-2000 having spent most of his playing days at the Redhouse, for which he was forgiven a long time ago. The previous season whilst at Purton, where he had been a virtual ever present in the Purton side, he had made the Hellenic League Representative team. Barry Giles was our First Team manager at the time Bryan joined Bassett and given the service Bryan has now given the club in various capacities he was certainly the best signing that Barry ever made. Bryan's pen pic for that first season described him as "a solid player who adds balance on the left-hand side."

Part of the first team for three seasons, Bryan was still in Pete Yeardley's starting eleven at the beginning of the 2001-02 Season but by the end of it was usually on the bench. With the Reserve

Team manager Paul Burke needing someone to help him out, Bryan stepped down to the Reserve side to help Paul with the management of that side the following season. There began a partnership and friendship that was probably only bettered by Clough and Taylor, but unlike Clough and Taylor, Paul and Bryan did not fall out and remain close friends to this day. When Paul took over the management of the First Team in Season 2005-06 Bryan joined him in the First Team dugout, a position he would occupy for all the three seasons that Paul was in charge of the First Team.

As well as men's football side of things Bryan took an active interest in developing Ladies football within the club with daughter Sam playing for the club. Bryan was manager of the Girls side at various age groups and then also took on the role of Head of Ladies and Girls Section in 2009-10 which he held for four seasons before stepping down at the end of 2012-13 having established the Ladies side as a permanent section within the club. However, he was once again assumed the role from the start of this season and is the current Head of the Ladies Section.

In other club related activity Bryan has also secured sponsorship for the Ladies side for many a season now and also arranged for the building of the dugouts which reside on the AGM pitch. He has also taken on a variety of other diverse jobs, even including recovering footballs from the lake behind the far goal as the programme cover from the 2017-18 Season, pictured right, shows, and he can often be seen helping out in the matchday kiosk or on the gate at games.

Bryan also serves on the committee of the Sports Association with a key focus being the arranging of social events at the club. Bryan also serves on the committee of the Sports Association with a key focus being the arranging of social events at the club. Bryan's involvement at the club is very much a family affair at the club with wife Fiona in charge of the bar at the Royal Wootton Bassett Sports Association and daughter Sam doing the SSE Wildcats Girls Football coaching and still playing for the Ladies side. As was said the best signing Barry Giles ever made, Purton's loss was certainly Bassett's gain. Bryan was made a life member in 2017.

Ladies Match Reports

Royal Wootton Bassett Town 0 Ilminster Town 4 South West Regional Women's League Premier Division

Royal Wootton Bassett Town Ladies suffered a 4-0 home defeat against Ilminster Town in their second South West Regional Women's Football League Premier Division fixture of the season.

Facing a side who they have suffered defeat against in their four previous meetings, Bassett knew that they were going to be in for a tough test. And while Graham Fletcher's side battled hard against their Somerset opponents, Ilminster – a team much-fancied to finish towards the top of the league this season – were in the end comfortable winners.

The visitors did have to wait both to take the lead and, then, to add gloss to the scoreline.

While creating much early pressure, it was midway through the opening period that they eventually went ahead as Jodi Cornwall, connecting with a free kick whipped in from the right side, steered in a controlled side-foot volley from ten yards.

Ilminster were then forced to hold the slenderest of advantages until shortly after the hour mark when Sophie Stuckey produced a fine volley of her own to guide a left-wing delivery into the top corner.

Only in the final ten minutes did the match get away from Bassett though.

Getting onto the end of a corner, Charlie Pettinger powerfully headed home a third for the visitors. Five minutes later Abi Meyer got in on the act, tapping in at the far post to round off a swift, flowing counter attack.

Bassett will be hoping to bounce back next week when they make the trip to face Marine Academy Plymouth.

Last Season's FA Cup Game

Royal Wootton Bassett Town 1 Brentford WFC 1 (Brentford win 7-6 on penalties)

Royal Wootton Bassett Town Ladies suffered a stinging 7-6 defeat on penalties in their SSE Women's FA Cup Extra Preliminary round tie against Brentford after the game finished 1-1 after the end of normal time. In an end-to-end clash which saw numerous opportunities for both teams, it was little surprise that there was nothing to separate the sides at full time.

Penalties then appeared set to drag on as Bassett matched Brentford blow for blow. After both sides missed their opening spot kicks – Abi Footner pulling off a save to deny Brentford and Hayley Huckin placing over the bar – thirteen successful penalties followed, with Maddy Elliott, Grace Eagles, Beth Kelloway, Lois Beer, Laura Jefferies and Hannah Gulliver finding the net for Bassett. However, Bassett defender Mollie Smith then had the misfortune of firing over the bar to decide the game.

Penalties is always a cruel way to lose a game, and this was no different in an entertaining tie featuring two evenly matched teams.

Brentford had gone ahead midway through the first half when a long ball over the top caught the home defence, which Rebekah Wiltshire raced onto before producing a cool finish past Footner.

Huckin had twice gone close for Bassett during the opening period and she eventually equalised shortly after the restart. Great play down the right by Gulliver freed up Holly Baker, who was brought down by the visiting 'keeper and Huckin kept her cool from twelve yards.

A great save from Footner ensured the scores remained level before Brentford had the ball in the net again only for referee Andrew Lincoln to controversially blow for a foul on the Bassett 'keeper. The hosts soon had a spell in which they were in the ascendancy as Lani Dickinson fired wide from a two-on-one opportunity.

A frantic finish then saw Eagles curl narrowly over and Huckin nearly score with a chip, while at the other end Brentford had two efforts that almost found a winner, Footner denying the second with a good save.

Penalties were therefore ultimately required – and it was the visitors who edged a tense shootout. (Pictures courtesy of Steve Green)

Ladies Match Reports

Marine Academy Plymouth 1 Royal Wootton Bassett Town 2 South West Regional Women's League Premier Division

A late winner from Hannah Gulliver (pictured right) saw Royal Wootton Bassett Town Ladies snatch all three points against Marine Academy Plymouth as they came from behind to triumph 2-1 in a closely fought contest in Devon.

Bassett made it hard for themselves as their hosts created a string of chances throughout the second half, none of which they were able to convert. Having weathered that storm, Gulliver then rounded off a counter attack to seal her side's second win of the season.

The visitors did start the afternoon well enough, but they found themselves behind early on. With Bassett unable to clear from a corner, Sam Matters headed home at the far post for Marine Academy, the forward having expertly slipped away from her marker.

Bassett responded well though and were soon on level terms as Maddy Elliott found Libby Davies, who turned well before slotting past the onrushing 'keeper for her fourth of the still young season.

Davies and forward partner Poppy Wannell then had good opportunities to put Bassett ahead before half time but were unable to convert.

The hosts came out strongest following the restart and proved a constant threat. Bassett didn't help themselves as they struggled to clear their lines and maintain meaningful possession higher up the pitch. Yet, to their fortune, Marine Academy's profligacy in front of goal meant the scores remained level.

That was until seven minutes to go when Bassett broke from midfield. The ball was

worked to Davies, who ventured forward before playing a dangerous cross into the box which Gulliver tucked away.

With their first lead of the afternoon, Bassett made sure it was one that they would keep hold of as they efficiently managed the remainder of the game to seal a hard earned three points.
