Welcome To Today's Game

Welcome to the Gerard Buxton Sports Ground for this South West Regional Women's Football League fixture against Bishops Lydeard, who visit the Gerard Buxton Ground for the very first time. The two sides have met on just the one occasion previously, that fixture coming last season when we travelled to Bishops Lydeard and returned with a point following a 2-2 draw. A brief report on that game from last season is included in today's programme.

A warm welcome to all the players, management and supporters who have made the long journey from Bishops Lydeard today, we hope they enjoy their short stay with us this afternoon and we wish them a safe journey home.

Bishops Lydeard have lost both games in the league so far but we should not read too much into that with the defeats coming against league leaders St Austell who have won all four of their games to date and a much improved Torquay United who are also unbeaten in their opening four games, having won two and drawn two. Bishops Lydeard picked up their first win of the season last week, beating a Frampton Rangers side who are currently top of the South West Regional Northern Division having won all three of their league games to date. We will certainly need to all be at our best today if we are to secure a third league win of the season here today.

Last Week

Well that for us is the FA Cup over for another season as, not for the first time, we went out in our first game of the season in the competition. Whilst it is great to take part in this prestigious national competition, at the end of the day we have no change of winning it or getting close to playing any of the big clubs given the way

the competition is structured. Furthermore, unlike the men's equivalent, the rewards for taking part are currently nowhere near as lucrative for non-league sides. Our prize money for losing last week was £115 with the winners getting £450. Compare this to the men's equivalent where, depending on how you look at it given that the structure of the Ladies competition leads to fewer rounds, the equivalent round prize money in the men's competition for winning sides is either £5,625 or £3,375 and for losing sides either £1,875 or £1,125. Whilst sponsors for the two competitions will be a factor in the differing amounts available, hopefully over time there will be a convergence. It would also be good to see an improved structure within the Ladies competition that allows more teams from lower levels to have the chance to get through to play the big guns. At the moment they do not come in until the Fourth Round Proper (unlike the men's where it is the Third Round) and only when the other sides have been whittled down to just 20 teams across the country.

Having gone out of the FA Cup we can now concentrate on doing well in the league in what hopefully will be our first full and completed season at this level.

It is a busy period here at the Gerard Buxton Sports Ground for the Ladies as, after today, we are home to Swindon Supermarine in the Wiltshire Senior Cup before meeting what looks to be a much improved Torquay United side in the league the following week.

Enjoy the game and hopefully another win for the Ladies.

Coaches Corner

With the Head of the Ladies Section topping up his tan in Tenerife, coach Sam Wood has kindly agreed to provide some notes for today's game.

Good afternoon and welcome to the GBSG ready for what is game two of our four home games on the trot.

So far, in the league this season it has been quite a positive one for us, having played three games we have secured six points and we will certainly be looking for another three this afternoon where we host a Bishops Lydeard side who we have only ever met once, in a 2-2 draw last season, a season that ended up being cancelled due to COVID.

Last week we were in FA Cup action and sadly it was an event that had highs and lows. For me it was great to see a number of our 'growing' girls section in attendance. Girls from our U10 and 12 teams were able to experience a match as a mascot, having a tour of the changing rooms and walking out with the players. It was great to hear them cheer us on and spend the day on an absolute high even despite the rain.

The game itself for us was a 'game of two halves'. Unfortunately we started poorly conceding two goals within fifteen minutes, which was disappointing and left us with a massive mountain to climb. Also losing Hannah (Gulliver) to what looks to be another lengthy

injury was also hard to see. For someone who's been working so hard to get back to full fitness after already suffering an ankle injury in pre season, it was sad to see. Hopefully Hannah will make a speedy recovery and be back playing with us again soon.

Already being two goals down it was great to see us do well at attacking corners last week as we managed to score two goals plus score from a free kick but unfortunately it still seems that we are struggling to defend set pieces as this cost us at least two goals last weekend.

The second half, after a very negative but honest team talk we seemed to have lifted our spirits and did extremely well to get back on level terms at three all. The desire and spirit was great to see and will certainly help looking forward to the rest of the season but unfortunately we weren't able to get that all important equaliser after falling five-three down.

Some would say we should rue missed chances and regret our sloppy start last week, as without them we could of seen a different result last week. However we look to put that behind us now and go again today in what I hope will be an entertaining game.

I hope you enjoy the match and I hope Bishops Lydeard enjoy their stay here at the GBSG and have a safe journey back to Somerset.

From The Dugout

I would like to extend a warm welcome to Bishops Lydeard Ladies for today's South West Regional Premier Division fixture.

I have had the pleasure to have had teams play our visitors on many occasions, they are a very well run club, with some fantastic volunteers helping develop their young footballers. I look forward to what should be an excellent game this afternoon, with both teams playing good football.

There was a goal fest in our Vitality Women's FA Cup match with Denham United Ladies. It was a thrilling game, and very exciting, good football played by both sides, but ultimately, disappointing to lose 5-4.

One of the challenges for me this season was to make progress in the FA Cup, its such an exciting competition to play in, so our early elimination wasn't in the plan. I was though hugely encouraged though by the display of the team, they showed great spirit and determination to keep finding a way to stay in the game, to get level after a difficult start, and keep pushing for another equaliser to force penalties.

I would like to mention, that one of my

players, Hannah Gulliver, had to be carried off on Sunday, having sustained a nasty injury to her ankle. We all wish Hannah a speedy recovery and look forward to welcoming her back on to the grass when she is 100% fit.

What I do know, is that the group showed a togetherness, and the encouragement of the crowd was a great help to the team. We have to remain positive, my Senior players will play a big part in helping and encouraging the younger players, playing at a higher level is a huge challenge for these players, but we will continue to give them confidence and opportunities to develop and progress.

Sam, Martin and I spend a lot of time in organising the way we want the team to play, I know it might sometimes be a bumpy road, but the development of all of the players is so important, not just now, but for the future.

We will approach today's game in a positive manner, play good football, and look for another 3 points.

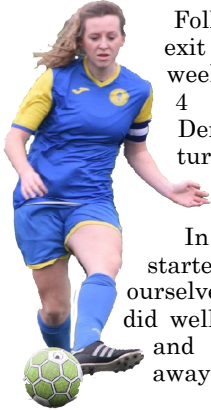

Thank you for your support, and please enjoy the game.

From The Skipper

Following a disappointing exit from the FA Cup last weekend after a thrilling 5-4 encounter against Denham United Ladies we turn our focus back to the league.

In a game where we started sluggish and found ourselves 2-0 down early on we did well to keep fighting back and put pressure on the away team.

Losing Gulliver early on through injury we unfortunately fell just short of taking the game to penalties and Denham held on for the win in a game which had chances for both teams. Although it was a disappointing result for all involved on the

pitch, it was a real positive having the support from the Under 12 and Under 10 girls as mascots and throughout the game, highlighting the direction the club is heading in and building a strong foundation for the future of women's football at Royal Wootton Bassett.

Today we welcome Bishops Lydeard and having faced them almost a year ago to the day and playing out 2-2 draw just days after being left manager-less we are expecting an evenly contested battle. In a season that has only just begun with our opponents sitting 8th in the table and ourselves just above them in 5th we know we are going to have to come out of the traps from the first whistle to get a result.

From the Club's website.....

Bishops Lydeard Association Football Club is an FA Charter Standard Community Club, that has a well-established youth section, senior section and girls/women's section with over 350 participants. The football club playing fields and clubhouse are located in the rural village of Bishops Lydeard, five miles north-west of Taunton, Somerset.

The club is over 100 years old and has recently developed into one of the largest clubs in the South West. Having played at various venues in the village is now firmly entrenched at Darby Way. Due to the growth of the club, youth, ladies, and extra men's sides, we had to expand our facilities in 1999 and now play on Morris Meadow, kindly rented to us by Mr. Morris. This is the field beside the main pitch. We also use the adjoining field, Glanfield Meadow – named after Mr. Glanfield who kindly sold us the land when he stepped away from farming.

In 1998 the adult and youth section joined forces to become one club. This held many advantages which you will see today when visiting the club. What was once a couple of men's sides, and an odd youth team run by an adult for the village kids has developed into football for the community at all ages and genders.

The senior side of the club has a very successful Ladies section which has been led by Julie Bowker since it was formed in 2001. We now have two ladies teams; the Firsts playing in the South West Women's Football League and the reserves in Somerset County Women's League. The adult men's teams are headed by the First team who play in the Somerset Senior Premier League; there is also a Reserve Team in the First Division of the Taunton & District Saturday Football League, and a newly formed Colts team

that play in Division 5 of the same league. The club has always looked to innovate; it was the first club in Somerset to achieve the FA Community Charter Status and has maintained this status since it was won in 2002. Being an FA Charter Standard Club means we have to maintain standards, both on and off the field. All coaches must take an FA Level 1 Coaching Course, a Children's Workshop (so they can be aware of, and identify, any child abuse taking place), and an FA First Aid qualification, plus they must all undergo a CRC check. This is all for the benefit of the young players in the club, to assist in their development and personal well-being. We also have a Club Welfare Officer, Mel Brown, who is responsible for liaising with the Somerset FA Welfare Officer, and ensuring best practice within the club.

In 2008 the clubs dream of developing an all-purpose club house to replace its 'Shack' was made reality when Iain Hunter formally announced that he had achieved the funding required to start the build after 5 years of meetings, fund raising and form filling. In January 2009 the whole club celebrated along with Iain when the then England Under 21 coach Stuart Pearce arrived at the club to formally cut the ribbon. This could not have been achieved without the club joining together as one. Over the period many an event was put on and enjoyed by the club members. Like all good TEAMS everybody pulled together with one objective, achieve the dream.

To coincide with the club house the committee made a decision to become a Community Interest Company. Why, to protect the assets for the future. The CIC prevents anyone from taking over the club and walking away with the money, instead any profits would have to be reinvested back into the club to provide suitable alternative facilities.

Opponents In Focus

This was key to the future as the club not only owned a half a million pound facility, it also owns land prime for development on the edge of the village green belt.

With increased ongoing expenses, rates, insurance, utilities, kit, training fees, coach qualifications, and so on, we needed to start to supplement what the players pay for membership. A fundraising committee was introduced! This committee still exists today and has one simple objective – ‘Organise fundraising events to join the parents of the players to the club’. Annual events are published in our Club Handbook, please come along, bring your friends and enjoy the fun whilst supporting your club.

The philosophy of the club is to provide a safe and fun environment for the youth to train, practice, express themselves and play football. The same principle is applied to the adult section with one overriding difference – push players to play at the highest level they can. This will mean that BLAFC will ultimately lose players to a higher standard of football until we can match the level, something that is a constant topic of conversation on a Saturday afternoon between those who come and support.

Finally, BLAFC operate a strict code of conduct within the grounds of the club, there is a A frame as you walk towards the club house that details what we expect from everyone visiting BLAFC.

Bishops Lydeard 2

Royal Wootton Bassett Town 2

Royal Wootton Bassett Town Ladies impressive overcame the adversity posed by the sudden departure of joint managers Jonny House and James Goddard just three days ago as they earned their first league point of the season with a 2-2 draw away against Bishops Lydeard.

With captain Laura Jeffries, ably assisted by young coach Josh Carey, taking the reins, Bassett produced a solid performance in an end-to-end game. And, importantly, they gave the impression that despite the departure of their successful joint-managers, the quality of their football is unlikely to suffer.

Bassett trailed when Holly Miller finished from Caitlin Berry's cross. But Eagles then struck twice to put Bassett ahead at the break. For her first, Eagles found herself on the end of a mishit cross and brought the ball down before steering a left-foot shot into the far corner.

She then latched onto Lois Beer's inch-perfect through ball before coolly keeping her composure when one-on-one with the Bishops Lydeard 'keeper and slotting into the bottom corner.

The hosts got back on level terms shortly after the restart as Berry tucked home from Amber Guy-Kemp's through ball.

But with no further scoring, Bassett ensured they ended a difficult week on a positive note.

Half Time Quiz

At the request of Woody the music lyrics quiz returns today with a geography theme. All you need to do is name the artist and the song from the lyrics below:

1	I don't know if I'm tired And I don't know if I'm ill My cheeks are turning yellow I think I'll take another pill
2	I'm walking young and strong But just a little too thin I may be happy but I haven't clue To this life in my mind
3	We walked in the cold air Freezing breath on a window pane Lying and waiting A man in the dark in a picture frame
4	It's just gone noon half past monsoon On the banks of the river Nile Here comes the boat only half-a float Oarsman grins a toothless smile
5	If you're afraid to love Afraid to take a chance You better hide your feelings Get out while you can
6	Born down in a dead man's town The first kick I took was when I hit the ground You end up like a dog that's been beat too much Till you spend half your life just covering up
7	She dreams of nineteen sixty-nine Before the soldiers came The life was cheap on bread and wine
8	The whole place is pickled The people are pickles for sure And no one knows if they've done more here Than they ever would do in a jar
9	I hear the drums echoing tonight But she hears only whispers of some quiet conversation
10	It was a theme she had On a scheme he had Told in a foreign land

Ladies Match Reports

Sunday 3rd October 2021
Vitality Women's FA Cup

Royal Wootton Bassett Town 4
Denham United Ladies 5

It was goals galore in the Vitality Women's FA Cup at the Gerard Buxton Sports Ground. Yet for Royal Wootton Bassett Town, there was unfortunately to be no glory.

Bassett wound up on the losing end of a thrilling second qualifying round tie as visitors Denham United held on to claim a 5-4 triumph.

A superb advert for women's football, the back-and-forth contest twice saw Denham threaten to runaway with the tie only for Bassett to storm back into contention. But, having once recovered from two goals down to get onto level terms, they came up just short in their attempt to do so a second time and ultimately missed out on forcing the game to penalties.

That meant elimination at the earliest opportunity for the second season running. But this was a display that showed the kind of spirit and determination that will serve Bassett well for the remainder of the season.

Denham raced into an early two goal advantage, both goals stemming from corners. The first saw Bianca Cuzuban convert in conventional fashion as she tapped in from the initial delivery into the box. Shortly after, Bassett thought they had cleared from another set piece delivery. But the ball fell to Kodi Spencer whose stunning long range strike sailed in. Bassett were able to halve their deficit on the half hour mark when Holly Baker (pictured) steered in after Amber Egerton flicked on a Laura Jefferies delivery.

But Denham soon made it 3-1 through debutant Daisy Baronowski, whose ball into the box from the deep skidded off the slick surface and bounced in over Bassett 'keeper Alice Farnell.

Just as the visitors had done in the opening half, Bassett stormed out of the blocks following the restart. Egerton headed in from a Jefferies corner to make it 3-2. Moments later Libby Davies raced onto a through ball played into the left channel before cutting inside and producing a neat finish low into the corner to equalise.

However, Denham restored their lead ten minutes later as Jo Torr netted as another set piece – this time a free kick – caused Bassett problems. Millie Congerton then grabbed their fifth as time began to wind down.

There was still enough left on the clock for Bassett to threaten another comeback though.

And captain Jefferies - a player who has featured in every game Bassett have ever played in the Women's FA Cup - lobbed the visiting 'keeper with a trademark, towering 30-yard free kick.

Try as they might though, they were unable to find a tenth goal of the game as Denham held on.

Pewsey Vale 3

Royal W. Bassett Town 3

By the end of Thursday night's action there was now one clear leader in the division, with Devizes Town going two points clear after Royal Wootton Bassett Town were held to a 3-3 draw by Pewsey Vale who picked up their first point of the season in the process.

It was certainly an entertaining game at the

Recreation Ground in Pewsey where the home side and Royal Wootton Bassett Town shared six goals. The visitors Royal Wootton Bassett Town led 3-2 at the break thanks to goals from Harry Farrow, Alex Stephenson and Joey Warren but despite multiple chances they were unable to put the game to bed and Pewsey equalised ten minutes from time to ensure a share of the spoils in a match played in a good spirit throughout. On target for Pewsey were Ben England with two and Jude Cawley.

U12 Girls Match Report

Under 12 Girls

Saturday 2nd October 2021

Allstarz Girls Electra 2

Royal Wootton Bassett Town 5

Royal Wootton Bassett Town Under 12 Girls traveled away to play Allstarz Electra on a cold, wet morning, with manager Martin Jefferies rotating the starting line up from the Stratton Juniors game.

The starting lineup for Bassett saw Poppy Henderson start in goal with Jess Watkinson coming in to make her debut and partner Mia Ohrland in defence. Sienna Badman came in to centre midfield with Holly Wannell and Leah Jefferies keeping their places in the starting lineup each side of Sienna with the lively Lilly Newman leading the line up front.

Bassett started confidently and created early chances for Holly Wannell and Lily Newman, but unfortunately both were unable to convert. Allstarz then went into the lead. With Bassett's defence all out of shape the Allstarz's forward finished calmly past Poppy Henderson.

Bassett continue to make chances with Leah Jefferies playing in Daisy Bundy only for a good save from the Allstarz 'keeper keeping out the effort. Allstarz added a second midway through the first half past the unlucky Poppy Henderson. Shortly after Daisy Bundy got Bassett on the scoresheet with a well taken finish five minutes before half time.

At the break Bassett's coaching team made a change to the team's formation, pushing a midfielder forward to play with a front two, while Holly Wannell took over in goal. The tactical change quickly paid off as Daisy Bundy added her second of the game. With the game poised at 2-2, Allstarz push forward trying to retake the lead, but strong calm defending from Poppy Henderson, Izzy Davies and Jess Watkinson snuffed out the Allstarz attack.

Daisy Bundy soon added her third with another well taken finish low to the 'keeper's left. Bassett started to dominate the game with player of the match Liv Deverall's energy and work rate being too much for the Allstarz midfield to deal with. Victory looked to be sealed when Robyn Spencer scored her first goal of the season after some good play by the Bassett midfield.

The scoring was completed late on when Liv Deverall made strong, forceful run down the left hand side of midfield and her pass found Robyn Spencer in space to score her second and Bassett's fifth. As the final whistle went the Bassett bench ran onto the field to celebrate their first ever victory with the rest of the team mates.
