Managers Mutterings

Good afternoon and welcome once again.

I am not sure where to start as the news of our last two games is not too good. We are out of the Floodlit cup, and have dropped down to 3rd from bottom since I last wrote. At Fairford, in the cup, we looked a completely different side in the first half and deservedly went in 1-0 up at half time. What happened in the second half in terms of effort was not acceptable and we went down 3-1.

At Shortwood last Saturday we were 1-0 down at half time, but to be fair we got our noses in front with 2 goals in a minute from Lee Stoddart. Sadly we do not seem to learn, concentration waned and we came away empty handed going down 4-2.

I need players who want to play for Bassett and have some pride in doing so. We will never succeed unless the attitude changes and we are all committed to the same cause. I am on the look out for players to strengthen the squad, the players know this and it is down to those here to prove they are worthy of a place in the side.

Back to today's game. It is not usual to have a 6 pointer so early in the season, but we need to win today not only for the points but another defeat would put us on a roll of defeats and sometime this is difficult to break. I will be asking for 120% today from ALL the players as they must commit themselves like those people off the field who guarantee football here every week.

Thanks for your support today, and hope you see an entertaining game - Giler

Last weeks results round up
