Wootton Bassett Town v Didcot Town

Tuesday 19th September 2000 K.O. 7.30p.m.

Good evening to Rylands Way for tonight's Premier League game. Tonight we welcome the players, officials and supporters of Didcot Town who have made the journey from Oxfordshire. We hope they enjoy their visit here and hope they will join us in the bar after the game. We wish them a safe return journey.

Didcot have made a solid start to the season and prior to last Saturdays fixtures had won all five of their opening games. As I write these notes prior to the games last Saturday I am hopeful we secured three points in our game with Harrow Hill.

We were knocked out of the Floodlit Cup at Fairford two weeks ago 3-1. A disappointing result having gone in 1-0 up at the break. What went wrong is beyond me but we need to tighten up all round and show more character. Saturday again having gone 1-0 behind at Shortwood United we came back to lead 2-1 only to let in 3 goals in the final 20 minutes.

Last Wednesday nights game at Cirencester Academy was called off due to the worsening fuel crisis and we managed to play last Saturday although the fuel crisis had not improved a great deal.

The draw has been made for the County senior Cup and we will entertain Amesbury Town who play in the Hampshire league. We defeated them 2-1 in last years competition and will be looking to progress again this year.

This Saturday the reserves entertain Clanfield Reserves K.O. 3p.m. Next 1st Team game here sees us entertain Cirencester Academy in the Challenge Cup Prelim Round on sat 30th September.

Thanks for your support today and to an enjoyable game.

Best wishes,

Roger

Dug Out Views

Good evening, and welcome to tonight's game against Didcot Town. It was very pleasing to get our first home win of the season on Saturday, with a 4-1 victory over Harrow Hill. Hopefully this will give us some much needed confidence for the tough games ahead, starting with tonight. The overall team performance was excellent, and if we can add a little bit more belief to our game we should be able to compete with the better sides in this division.

We took the lead on Saturday with a superb individual goal by Jeremy Newton, who came close to adding a second when he struck the woodwork with a fine strike. After conceding a goal just before half-time we came out and totally dominated the second half, and scored three further times all clinically finished by Lee Stoddart. We now have to keep this level of performance week in and week out and not let our standards drop. The squad is still not as big as we would like and we are still looking for more players to make competition for places even stronger.

Tonight's game is against one of the leading group of teams in the league, and so far they have a 100% record this season. We will have to be at the top of our form to get something from the game, but it is this type of challenge that I hope will bring the best out of the lads.

Here's to good game - Giler

Results 02 September

An error was made in the listing of the result of the Didcot Town v Swindon S'marine reserve fixture last Saturday. The bulletin showed the result as a 0-2 away win for Supermarine, this should have been listed as a 2-0 home win for Didcot Town. Apologies to Didcot Town's players for not rewarding their hard work by listing the correct result.

Chairmans Chat

Good evening, and a warm welcome to you all and to our visitors Didcot Town for what should be an entertaining match.

The win on Saturday against Harrow Hill was most pleasing. Not just because of the result and the 3 points, but as the game progressed you could see the confidence of the players increasing, and confidence is such a key aspect in being able to compete at whatever level you are playing. The step up to the Premier has been largely as expected, with the pace of both thought and play being just that bit sharper than Div 1, and we always knew this would take a little time to adjust to. However, we have not helped ourselves, with lapses in concentration, not playing to our strengths, and to a degree lack of self fitness, all contributing to losing games we were in with a shout on. To compete in this division we must be at the top of our game, and encouraging each other to stay there, which is something we are not doing enough of yet. We must though be encouraged by Saturday's result and the manner of the victory, and all work together to build on it.

I am sure from the stand you will have seen the work going on at the end of the portacabin. We are in the process, through the considerable help of Pete Yeardley, Terry Embling and Steve Matthews, of converting the near end of the cabin into a refreshment bar. The area has been partitioned off, window and door put in, kitchen installed, and power put on. We have the water supply to add, and inevitably some final decorating, but hope to be up and running with the bar by the end of September. We are also looking to put in an appropriate walkway from the stand, and cover the area to keep you dry whilst queueing for that half time tea and roll!

One of the most pleasing aspects to date this season has been the increased attendances, and the real coming together of the Town behind the club. The atmosphere at games has been excellent, particularly the evening games, and on behalf of the club I would like to thank you for your attendance and ask you to put forward any suggestions or comments you may have that would further improve matchdays for you.

Cheers - 'H'

**CHERRY RED RECORDS HELLENIC LEAGUE
RESERVE DIVISION 2 WEST**

The Reserves have made the perfect start to their campaign. Two wins in two games sees them third in the table, unfortunately the trip to Brackley Town last Saturday fell foul of the fuel crisis.

Two weeks ago they traveled to Oxford to take on new arrivals Quarry Nomads. Syd Jackson got the only goal of the game on his league debut. Keeping a clean sheet is something that was hard to come by last season.

Last Saturday they entertained Easington Sports Reserves and on a warm afternoon secured a 2-1 victory. Simon Edwards and last seasons top scorer Jack Dodd netting the goals.

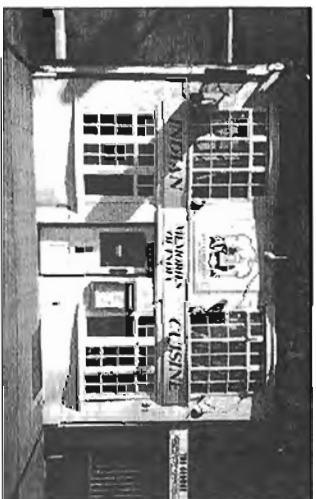

More league games for you to see this season and a floodlit game on Tuesday 31st October.

This season promises to be probably the best since the reserves moved from the Wilts League and we are looking for promotion to the Reserve Division. One.

Come along and give the boy's your support.

DIDCOT TOWN F.C.

A brief history of the Club

Originally founded in 1907, Didcot Town Football Club is affiliated to the Berks and Bucks Football Association. After first competing in the North Berks, Reading and District League, the club won promotion to the Metropolitan League.

Didcot Town became founder members of the Hellenic League in 1953 and duly became the League's first champions. In the same season the club missed out on a league and cup double by losing in the final of the Hellenic League cup to Amersham Town.

After four seasons in the Hellenic League, Didcot re-joined the Metropolitan League and reached the League Cup Final in 1961/62. In 1963 Didcot returned to the Hellenic League, where the club have remained to this day.

Didcot waited until the 1965/66 season to taste success again when they won the Premier Division Challenge Cup (Witney Town were defeated 3-2 in the final). The following season the cup was successfully defended but the club had to wait ten long years for further honours. Indeed, the intervening years had seen Didcot demoted to Division One, and season 1976/77 not only saw a return to the Premier League as champions (from Flackwell Heath) but also success in the Challenge Cup.

A decade later, in 1987, Didcot again returned to the Premier Division after finishing in third place behind champions Bishops Cleeve and runners-up Cheltenham Town Reserves. In fact, the club benefitted from Hellenic League rules which prevented Cheltenham Reserves from participating in the Premier Division and Didcot took the second and last promotion spot. The season was rounded off with success in the Division One Challenge Cup, where Cheltenham Town Reserves, again the victims, were defeated 2-0 in the final.

The club remained in the Premier Division for the next six campaigns, and managed a notable honour in 1992 when they lifted the Premier Division Cup (Banbury United defeated 3-0 in the final). Despite this success the following season resulted in disappointment with relegation to Division One.

The necessary improvements to the Station Road ground allowed Didcot to return to the Premier Division for the start of season 1995/96. Two years later, Didcot had arguably their most successful season with victories in the League Cup, the Jim Newman Trophy and the Hungerford Cup.

Following years of uncertainty, and the eventual sale of the Station Road ground, the club finally built their new stadium and main pitch on the town's Ladygrove estate for the start of the 1999 season. Last year was largely one of consolidation but the new campaign this season has already seen Didcot triumph pre-season in the Jim Newman Trophy. The Club will be hoping to add more silverware in the coming 9 months.

PETE COX – (Manager) Twice former Player of the Year in the seventies when Didcot won the League and Cup double. Pete played and won local honours with Harwell after leaving Town. Returned to Didcot to become Youth Team Manager then reserve boss. After taking temporary charge midway through last season, and good run of results, player power persuaded Pete to take First team job for this campaign.

JOHN HEAPY - (Assistant Manager). Top full-back for Didcot and Wantage Town during the seventies and eighties. John is also a regular County Bowls Player.

MARK ROBERTS - (Physio) – "SPICEY" Mark is a long serving member of Didcot's backroom staff after a serious injury curtailed a promising professional career with Oxford United.

ALEX DEADMAN – "SHAKA" - 6' 4" goalkeeper Alex already has over 200 appearances for Didcot following his transfer from Abingdon Town in 1996. Ask anyone at Didcot and they will tell you that there is no better keeper in the League. Alex's form was rewarded with an appearance for Oxford United Reserves last season. Works as a Stonemason.

PHIL THOMAS – "TOMMO", "SHORTY" or "STUMPY" - Made debut in 1990, Phil has over 600 appearances to his name and is still as reliable as ever. Contemplated retiring in the summer but was talked out of that by his colleagues, which is a good measure of how they rate his abilities. Works as a tubular technician.

ANDY COOPER – "COOPS" or "WHINGER"- Player-coach Andy joined last summer from local rivals Oxford City and has a wealth of experience with City and Thame United. He constantly attracts interest from other clubs requiring his services. Andy arguably has the best left foot in Europe. Second top scorer at the club, a fact that he regularly reminds us. A Distribution Manager.

PAUL NOBLE – "NOZZER" or "JIGSAW" (He goes to pieces in the box) - Nozzer was on temporary loan to Abingdon Utd for much of last season, but they managed to get shot of him and sent him back for the start of this campaign – with over 500 first team appearances for Didcot to his name, the legend lives on.

JAMIE HEAPY – "MORLEY"- Jamie has already made 150 appearances for the club and was a model club captain last season. Never loses his cool, possesses a brilliant attitude, Jamie has an exciting future ahead of him. Also plays cricket for Didcot, which is where they christened him Heapyo.

JASON DODD – "DODDY"- Jason has returned to Didcot from Wallingford this season and is likely to prove a valuable addition to the team.

JAMIE COPPING- Another ex-Wallingford player, Jamie is another who joins us this season and will be looking to impose himself in the midfield. Extremely fit and strong.

JON-PAUL BAILEY- Jon was an outstanding player in local youth football and is now maturing into a reliable midfield player of real quality. Made his debut in 1995 and has played more than 150 games for the Railwaymen. Works as an Office Equipment Executive.

ANDY GRAHAM – "SNAKE HIPS" or "SWEATY"- Scottish Andy is enjoying a new lease of life at Didcot following his 1998 transfer from Abingdon United. Has the knack of scoring vital goals. An Accountant by profession.

GLYN JONES- Has fantastic pace and delivers quality balls into the box. When Glyn is on form, the team invariably plays well. Over 160 appearances in the red shirt scoring over 40 goals.

DANNY LAWTON- Danny rejoined Didcot last season following a round the world trip and has already proved his worth in pre-season friendlies.

ROD DORRIAN – "ROONEY"- Rod, who also has over 600 appearances for the club, continues to provide a solid look to the midfield. Scores spectacular goals from all angles. A Dry-lining Manager.

SIMON KELLY – "SMELLY"- Big Simon is equally at home in defence or attack, and his physical presence has rewarded him with a steady stream of goals last season. A Freight Manager.

ANDY MARRIOTT – "MAZZA"- Last seasons leading scorer once again, Andy's early season form hints at another successful campaign. Over 300 appearances to his credit. A great first touch and a ferocious shot. A Dairy Executive.

GAVIN JONES- Gavin has skill in abundance who can prove to be a match-winner on his own. If he stays fit there is no doubt that he will be a key member of the team this year.

KEVIN COX – "COCKER" or "STANLEY"- Kevin is another promising youngster who will see the coming season as an excellent opportunity to break into the First Team set-up. Has scored consistently for the Reserves after coming through the Didcot Youth ranks.

MATTY APLIN- Another player who has graduated through the Youth system, Matty looks to be a strong contender in the Midfield. Scored one of the winning goals in the Final of the Jim Newman Trophy this year.

MATT BIANCHINI – "CHINO"- Summer signing from near neighbours Abingdon United who has already shown enough to suggest that he will become vital in Didcot's push for honours this season. Threatens to form a potent strike partnership with Andy Marriott.

ANDY JAMES- Striker who has also shown excellent form since signing on in the close season. Andy is strong and fearless in the tackle.

LUKE BRANDON – New recruit, signed from Headington Amateurs, looking to establish himself in the First Team. Has an excellent touch and vision.

BEN BALDWIN – Moved to the club in January 2000, also from Headington Amateurs, and has already scored some vital goals.
