Premier Division

Wootton Bassett Town v Pegasus Juniors

Saturday 4th November 2000 K.O.3.00p.m.

Good afternoon and welcome to Rylands Way for today's Premier League fixture. This afternoon we welcome the players, officials and supporters of Pegasus Juniors who have made the journey from Hereford. We hope they enjoy their visit and that they will join us in the bar after the game. We also wish them a safe return journey.

Pegasus Juniors finished runners up in division One in 1993/94 season and moved into the Premier Division where they have remained ever since. Last season saw them finish in mid table and to date this season they have had a mixed bag of results and will be looking to improve. Today will be another stern test as there are no easy fixtures in this division.

Today we also give a welcome to many of our sponsors. Thanks for your support which is much appreciated. A special mention to our main sponsor Keith Lodge Industrial Roofing. The tea bar is now in full operation and thanks to Keith for supplying and fitting the roof so that spectators can queue for refreshments in comfort. We all hope you enjoy the day and that we can give you an entertaining game also.

Recent results have given us a good footing to consolidate our Premier Division status having taken seven points from the last nine. The good result here against Abingdon Town (2-1) was followed by a 2-2 draw in mid-week against Almondsbury Town and then two Saturday's ago a 1-0 victory at Milton United. It was pleasing to see Nathan Hall open his account for Bassett with a goal in each of the last two games.

Next Saturday we entertain Cirencester Academy in another Premier fixture. We will be looking to reverse the result when we lost here in the Challenge Cup. (K.O.3p.m.)

Thanks for your support today and to an enjoyable game.

Best wishes,

Roger

Good afternoon and welcome to today's home game with Pegasus Juniors.

Since my last notes we have continued our good run of results with two wins and a draw in our last three games.

The first of these saw probably our best home performance of the season in a 2-1 win over Abingdon Town. We were excellent throughout the side and should on reflection have won by more. In the end we settled for two superb strikes from **Jeremy Newton**.

At Almondsbury put back to the Tuesday evening, on reflection this cost us because we were without three key players who would have been available on the Saturday. Again this showed the strength of the squad as we were unlucky not to come away with all three points. We got off to a great start, **Nathan Hall** putting us 1-0 in front with only seven minutes gone. His first goal for the club. After this although we didn't have as much possession as I would have liked, we defended superbly and were very dangerous on the break. The game changed when Nathan was sent off for two harsh decisions and this led immediately to us letting the lead slip. The lads showed great character and got back in front only for us to concede the equaliser in the fourth minute of added time. **Paul Harper** scoring our second from the penalty spot.

The final game was the visit to Milton United. On paper it looked as though it should have been an easy victory, but with a new manager in place and several new faces it turned into a very stiff test. Although we started brightly and took the lead through **Nathan Hall**, it was only down to a magnificent rearguard display by the back four that we managed to come home with all the points. It was without doubt our worst performance for a long time.

On the credit side over the last few weeks we have seen a big improvement in consistency from a number of the lads. The confidence of a decent run of results has done wonders but the players have set the standards and must now work to maintain it. I would like to mention **Nathan Hall** who has shown a superb attitude since joining us. After being on the bench for a while, has finally got his chance in the side and apart from his goals has shown a desire to work hard to keep his place. On a personal note I am very pleased that **Lee Stoddart** has decided to stay with us after the approaches we have had for him.

We need to keep working hard to improve on and off the field to make sure we become an accomplished Premier Division club.

Chairmans Chat

Good afternoon and welcome to you all and our visitors Pegasus Juniors.

I guess during the week, with the extraordinary weather we have been experiencing, none of us would have expected to be here this afternoon for this fixture. There has been so much rain, and with the water table being so high, on Thursday the pitch was sodden and the game looked in doubt. But the 'Rylands River' did the trick again, with the water draining off very effectively. Of course none of this happens by chance, and it is only through the hard work put in by the groundforce team through the past few years, under the watchful stewardship of DD, that has developed the pitch surface and foundation to such a degree that it drains the way it does. Each Saturday morning 3+ hours are put in in maintaining and preparing the surface, and all this before the same guys come down and run the match that day smoothly. The purchase a few years back of a back breaking machine that slits the turf has paid dividends, with the ground much less compacted and the water able to pass through. Of course we want to do more, but finances are an inevitable constraint, and given all the work is voluntary I think you would all agree we have one of the best surfaces in the League - well done and thanks to the groundforce.

Here's to a good game today,

Cheers - 'H'

**CHERRY RED RECORDS HELLENIC LEAGUE
RESERVE DIVISION 2 (WEST)**

Since the last programme the reserves have maintained their unbeaten record and sit nicely in second spot in the league.

Two home games on the trot saw them take four points out of six. The first at home to Letcombe saw them go top of the table with a 3-0 victory over a poor Letcombe side. Going in 3-0 at half time from a brace from debut boy **Mark Neale**, and a stopping header from **Simon Green**. We took our foot off the pedal in the second half when we should have double our tally which our domination deserved.

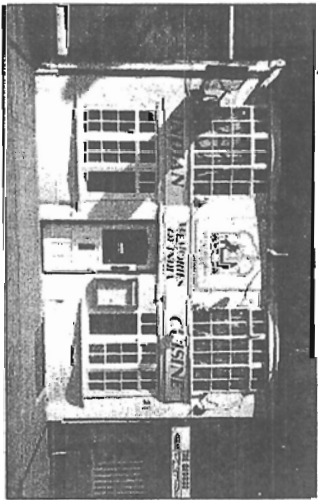

The following week saw a clash of the top two. Almondsbury Town proved a sterner test and a 2-2 draw was a fair reflection on the game. **Simon Green** from a set piece and a **Jack Dodd** goal gave us a point.

Last Saturday saw Brackley Town take over top spot with a win at Almondsbury. Victory at Kidlington today will set up a great game for us at Brackley next Saturday.

I know that Paul and Pete now wish to push on for promotion to again enhance the opposition and to begin to prepare a number of the reserve players to push for first team places.

Pegasus Juniors Football Club

Schoolteacher, Noel Watkins, who had been the manager of the successful Herefordshire County Schoolboys team, formed Pegasus Juniors in 1955. Rather than disband the team, the nucleus remained to form Pegasus Juniors Football Club.

The name was obtained following written permission from the original Pegasus Football Club, which was made up of both Oxford and Cambridge University players, on the condition that Juniors was included in the name.

After many seasons playing in the Herefordshire League and the Worcester League, Pegasus Juniors joined the Hellenic League in 1982. The Club achieved its first league honours by winning Division One in 1985. This was repeated in 1999, after being relegated from the Premier Division due to ground regulations. The Club has won the H.F.A. County Cup on six occasions. Last season, after a difficult start, when the players adapted to the new challenges, they finished in a creditable tenth position.

The Club perhaps should have been called Pegasus Nomads as it has never been in a position to own or rent a ground which they could really call home, although they have had various home grounds including Nicholson Fields (now accommodation for military personnel) and the Essex Arms. In between this the Club has used council pitches and for a while shared with Hereford United at Edgar Street, Hereford.

The Club has leased the Essex Arms Sports Ground for twenty five years but, with only twelve month leases have been unable to upraise this to meet the requirements of the Premier Division. The reserve side now use this ground for Herefordshire Premier League fixtures.

This is almost certainly the last season this ground will be used by the club, as notice has been given that the lease will not be renewed at the conclusion of this season because the Police Authority intend to realise funds by selling the ground for development.

(CONTINUED NEXT)

In 1978, it was decided the club needed a base and with players doing the majority of the work themselves 48 | 50 St. Owen Street, was converted from a vehicle repair garage into a social club.

In 1997, the Club signed a lease for a ground on the outskirts of Hereford; however, the Council refused planning permission. The Council applied to compulsory purchase the ground, the landowner appealed but this was dismissed. Ironically to date the Council have been unable to find sufficient funds to the buy the ground!

Last season Pegasus Juniors had three senior teams and an under 18 side playing in the West Midland Floodlight League. Links remain strong between the Club and Tupsley Pegasus whose youth teams operate at all levels from under 9's to under 16's and are a source of younger players.

The basis of this years team won the Division One title in 1998 | 1999 to enable a return to the Premier Division last year where they finished a creditable tenth. However this year the defence has been decimated with four players leaving for money offered by a local team playing in a lower league in the football pyramid.

Club News/Requests

- If you get a chance try and make it along to one of our U11's games (Sun afternoons), if for nothing else than to take a look at the excellent program produced by manager Mark Smedly. The program actually won the Wirral Club Junior program of the year last season, and in my view has been improved on this season.
- The club urgently require manager and assistants for the under 15's side, which may need to pull out of the League for this season if no-one is forthcoming.

Can you help our football club ??

The football clubs primary aim is *"To promote and develop football within Wootton Bassett through the provision of playing opportunities for as many age groups as possible, and the maintenance of a senior team and stadium in keeping with the Town's stature."* .
