## The Cherry Red Records Hellenic Football League Premier Division

### Wootton Bassett Town v Tuffley Rovers

Tuesday 27th March 2001 K.O. 7.30p.m.

Good evening and welcome to Rylands Way for tonight's league fixture. This evening we welcome the players, officials and supporters of **Tuffley Rovers** who have made the journey from Gloucestershire. We hope they enjoy their visit to the Way and that they will join us in the bar after the game. We also wish them all a safe return journey home.

Early in January we travelled to Tuffley and came away with a creditable 1-1 draw thanks to a thunderbolt equaliser by **Lee Marshall**.

Tuffley have been steadily moving up the table since Christmas and are now handily placed to finish in the top five places. Tonight will be another hard fixture for us and we must perform to our best to take anything from the game. Last Saturday we were due to play at Bicester Town and as I write these notes prior to that game I hope we have picked up further league points.

Last Wednesday night we were due to play away to North Leigh but as you will recall the snow came and another fixture was lost to the weather. The North Leigh pitch being under 5" water.

Saturday sees us entertain potential league champions Swindon Supermarine in yet another tough fixture. Supermarine currently have a 16 point lead and I believe they will only lose the title themselves. Next season they are looking to move up to the Dr Martens league and have their second ground inspection in April.

Barry has strengthened the squad as he looks towards next seasons campaign with a new signing from Malmesbury Victoria.

The Senior Cup semi-final against Cricklade Town was another victim of the weather and we await the revised date. Should we know by tonight we will announce the date and place during tonight's game.

Thanks for your support this afternoon and we look forward to seeing you all again on Saturday.

Best wishes,

**Roger**

## Dug Out Views

Good evening and welcome to you all, and our visitors Tuffley Rovers.

Only one game for me to review, some two weeks ago when we played Cheltenham Saracens. After a recent sticky patch it was good to feel we were getting things back on track in this game. A first half penalty from Paul Harper gave us a deserved lead at half time. We largely controlled the second half. The second goal came on the hour when following a good move Stoddarts cross was turned in off the shin of Nutty Newton, but they all count! The third goal came from a JD penalty with five minutes remaining.

So, pleasing to get back to winning ways, but then so frustrating that we have been unable to build directly on it, having our next four games postponed due to the atrocious weather. The weather has proved to be the most difficult element of the season. Particularly over the last 4 months it has been stop start, and so it is very difficult to build confidence and momentum. Training facilities and opportunities are also impacted by the weather, and players very much need to take responsibility for their own fitness, and if they don't it soon shows and consequently their places will be under pressure.

Let's hope we have been able to get this fixture on tonight, and we entertain you with a fine Bassett win.

Thankyou for your continued support, which I hope you'll carry into Saturday's game also against local rivals and League leaders Swindon Supermarine - but for now let's focus on tonight.

All the best - **Giler**

### *Drayton Injury*

After last Saturday's fixture at Drayton assistant referee Ray Henson suffered a deep cut to the back of his head when walking out of the shower area. I understand he slipped on the wet floor fell backwards and struck his head on the floor causing the injury. Drayton's Chairman Kevin Kelly assisted when called for by match referee Ray Pardoe, an ambulance was summoned, club physio Mick Turtle gave initial treatment awaiting the arrival of the ambulance. Ray was taken to Hillingdon Hospital and had four stitches inserted to close the wound. It should be placed on record that the prompt assistance of Drayton Wanderers club management was instrumental in containing the injury and Kevin & Mick are commended for their professional conduct. Another example of the need for clubs to have properly qualified people in attendance able to offer assistance when such circumstances occur. Well-done Kevin & Mick.

### *Team of the Month*

The February 'Team of the Month' awards are:

- Premier Division - Shortwood United. 'The Wood' secured five wins out of six fixtures just shading North Leigh who had three wins & three draws.
- Div One (West) - Cirencester United. Three straight wins for 'The Herd' gave the club their first monthly award of the season, just shading Bishops Cleeve.
- Division One (East) - Henley Town. Four straight wins for 'The Town' maintained 1<sup>st</sup> position in the Division and edged them a little nearer to promotion.

### *Safe Hands Award*

The February award goes to Matthew Keslake of Cirencester United who conceded only one goal during his club's unbeaten month of three wins.

### *Goal Machine*

Last Saturday's 8-0 win over Witney Academy pushed the total of goals scored by Gloucester United through the 100 barrier. With Wednesday's 1-1 draw against Yale Town in the semi final 2<sup>nd</sup> leg of the Floodlit Cup Gloucester United have scored 106 goals in all Hellenic League & Cup competitions so far this season.

### *Carterton On Line*

Another club has recently gone live on the Internet, Carterton Town now have their own club site at [www.cartertontownfc.co.uk](http://www.cartertontownfc.co.uk) the necessary links from the League site to the club site are in place for surfers ease of access.

### *Floodlit Cup Final*

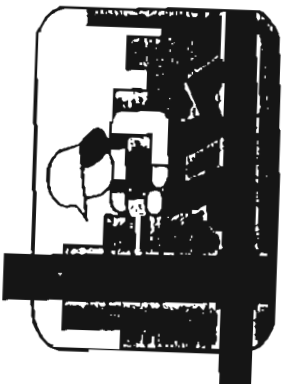

Last Wednesday's 1-1 draw secured Gloucester United's place in the final against Swindon Supermarine. The 1<sup>st</sup> Leg will be played on Wednesday 28<sup>th</sup> March at Swindon Supermarine with the 2<sup>nd</sup> leg being played at Gloucester United on Thursday 5<sup>th</sup> April both matches will kick off at 7.30pm

### *Helping Out*

Fairford Town, in recent weeks have struggled to field two teams on Saturday's to compete in Hellenic League fixtures, one weekend they were forced to postpone a Reserve fixture having only six available players. Local neighbors Highworth Town have helped out by allowing four youth players to transfer to Fairford Town for the remainder of the season. The four players Scott Bishop, Andrew Chester, Stephen Owen and Marcus Richards have not managed to force their way into the 'Worthians' 2<sup>nd</sup> team and this arrangement suits all concerned and ensures Fairford Town will be able to better meet their fixture commitments.

## TUFFLEY ROVERS F. C.

### A BRIEF HISTORY

The late Donald E Hall, who for many years was both its Secretary and Treasurer, founded Tuffley Rovers FC in 1929. The Club's Headquarters were in a former railway carriage, which served as Mr Hall's Boot and Shoe repair shop on the Stroud Road at Tuffley in the City Of Gloucester. The Club started its playing life in the North Gloucestershire League but since 1932, apart from the war years and two other short periods has always maintained a team (now the 3rd XI) in the Stroud League.

Senior XI Championship honours include that of the North Gloucestershire League and Stroud and District League (4 times) and in 1987/1988 the Club were Champions of the Gloucestershire Northern Senior League and gained promotion to the Gloucestershire County League. After two seasons of consolidation the Club won the County League Title in 1990/1991 and their application to join the Hellenic League was successful and were accepted into Division One for the following season.

Progress continued as in the 1992/1993 season Rovers were Champions of Division One and also Division One League Cup Winners and after promotion have been competing in the Premier Division of the Hellenic League since 1993/1994 regularly finishing in the top half of the table. The 1998/1999 season saw Tuffley win the Norman Matthew's Floodlit Cup defeating Carterton Town in the final.

Whilst the Club has enjoyed this success, the 2nd XI and 3rd XI have also gained promotion and championship honours to reach their present positions in the pyramid system and are currently well established in Division One of the Gloucestershire Northern Senior League (2nd XI) and Division Two of the Stroud League (3rd XI). The 1998/1999 season saw the 2nd XI win the Northern Senior League and reach the finals of both the County Cup and League Cup, unfortunately losing out on both occasions. Promotion however, was not possible as reserve teams are not allowed to enter the Gloucestershire County League and progress further up the pyramid system.

Over the past season or two a number of senior players have retired or left for pastures new, but the management team of Chris Gardner and Geoff Samuels have assembled a squad with a lot of younger players and are currently passing on their experience to them.

**RESERVE DIVISION 2 ( WEST )**

*No action to report on as no fixtures have taken place for the last month.*

*It is hoped that the fixture against Wantage Town Reserves last Saturday has taken place and that we have secured another three points and our undefeated season has continues.*

*The draw for the second round of the league cup has paired us against Highworth Town from Div 1 Reserve league. The game will take place on Easter Monday 16th April here at Rylands Way Kick Off 3.00p.m. This will give us an opportunity to gauge just how far we have come this season. Hopefully we will be competing against these sides next season.*

*With only seven games remaining it is a shame that the poor weather has limited our outings over the last six weeks and we could have by know already clinched the Div 2 title but we must now continue to perform consistently till the end of the season.*

*The big game comes this Thursday 29th when we travel to play Almondsbury Town Reserves. They are proving the biggest threat to our Championship ambitions and the right result on Thursday would give us a valuable three points.*

*The support this season has been the best ever for a Bassett reserve side and if you can continue your support to the end of the season the players and management would much appreciate it.*

*Here's to seeing more action over the coming weeks.*
