## Dug Out Views

Good afternoon and welcome to Rylands Way for the first of three consecutive home fixtures for the reserve team.

A particular warm welcome is extended to the players and staff of Letcombe FC who, due to the manner and spirit in which they approach the game, will always be popular visitors to Wootton Bassett.

Last week saw us take our unbeaten run to Old Woodstock Town for a traditionally tough fixture. We emerged with a 2-2 draw in a game we frankly should and could have won comfortably.

After a goalless first half, we took the lead through a deflection following some good approach work from Simon Edwards. We then controlled the tempo of the game until 20 minutes from time when a long range shot was handled on the line by Simon Green. The referee awarded a penalty and simultaneously red carded our captain. Although reports from our players suggest the ball was going wide, from our position in the dugout it appeared goalbound.

Nevertheless our 10 men dug deep and retook the lead through a Sid Jackson header converting a Simon Jones cross. We were however denied our deserved victory when Old Woodstock capitalised on some poor marking from another dubiously awarded free kick and scored in the 7th minute of added time.

Perhaps on reflection a sign of progress made so far this season, was the feeling of dismay in the dressing room after the game. This time last year we would have been more than grateful of the point gained.

It is imperative that we continue with the self belief and sheer will to win displayed by the whole squad as we strive to extend our unbeaten run.

Enjoy today's game.

Pete and Paul

- You will no doubt see that the refreshment bar is now up and running, and we have added some walkway chippings. Thanks go to all that helped, but particularly Steve Mathews & Terry Embling for their handywork, Keith Lodge for the roof and slabs, and TJ Sansum for the chippings.
