- ⚽ Under 9's - drew 1-1 Away against Ramsbury
- ⚽ Under 8's & U7's - No game

Managers Mutterings

Good evening and welcome to you all and in particular our visitors from Wantage Town. With games now coming thick and fast our seasons fate could well rest on tonight's result, and as usual we expect a very determined and stubborn opposition.

Several games to report on, three difficult away victories at Milton, Kidlington and on Saturday at Easington Sports. A feature of all these games has been the state of the pitches from being waterlogged at Milton to the hard uneven surface at Easington.

It is to the credit of our ground staff that we have such a grassy flat pitch at this stage of the season.

Our last home visit was the exciting cup tie versus Highworth Town which ended in a 5 : 4 victory in extra time. Normally we would be upset at conceding four goals at home but in the context of being 4 : 2 down with 10 minutes to play the comeback was inspirational. Special praise in that game must go to our two forwards Justin Hyde and Simon Edwards, who were a threat throughout the game, and of course the ever influential Mike Byrne who stepped of the bench to inspire the lads and indeed volley the winner two minutes from time. The next round sees us entertain Eton Wick in the quarter finals here at Rylands Way on Thursday 3rd May.

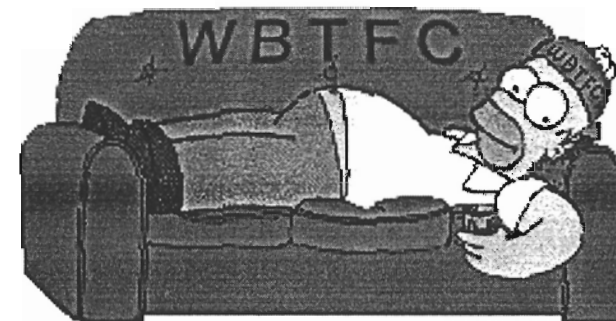

It is also pleasing at this stage of the season to see regular reserve players break into and establish themselves in the first team squad. Steve Howse, Simon Jones, Karl Easterbrook and Sean Walsh all appearing recently in a fixture somewhere in Wales and no doubt they are all looking forward to the next first team away fixture with relish!!!

Their promotion has helped to blood in recent weeks the likes of Andy Morris, Ben Jarrett and Chris Locke and we look forward to their further development.

Talking of young blood we welcome back tonight Adam and Jack from their world tour, for the uninitiated, their the ones in the dug out with dodgy tans and soiled underwear!!

Enjoy tonight's game and thank you for your continued support,

Thick and Thin (you work it out!)

Pete's proposal for next seasons 'ground improvements'.

Club News/Requests

- ⚽ Pitch maintenance is absolutely vital to providing the right surface for our teams to play their football on. Critical is the ability to undertake work as weather permits. Do you know anyone who may be willing to help the club by providing just a few hours a week
