Last Weekends Club Results

- ☺ First Team - lost away at Brackley Town on the Wed by 0-3, bit of an end of season encounter I am afraid. Picked the attitude up for the visit to Bicester on Friday when we won 3-1, with goals from Marshall, Paul Davis, and Stoddart. Can't now finish lower than 13th, thus achieving the top two thirds of the table objective we set ourselves.
- ☺ Reserves - drew 0-0 at Letcombe on Friday night in our last league match, thus ensuring we completed the league program unbeaten and champions - an absolutely marvellous achievement. Not a great game by all accounts, with goalkeeper Jason Hillier performing a few miracles to keep it goalless.
- ☺ Under 8's - Ferndale Tournament – Won 2, lost 2, drew 1
- ☺ Under 7's - Ferndale Tournament – Won 4, lost 0 (16 goals scored, 1 con.).

Barnfield Strikes

When Gloucester United were awarded a penalty kick in their last home fixture of the season on Wednesday evening against Cirencester United there was only one man to take the kick. Goalkeeper Craig Barnfield was the only player of sixteen regulars who have played in enough league matches to qualify for a championship medal who had not scored during the season. Almost as soon as referee Andy Newell blew to award the penalty Craig set off on a ninety yard run to claim the ball and take the kick. He stepped up and calmly stroked the ball home to record his first goal for Gloucester United and completed a 100% scoring record for the squad of sixteen regular players.

Referee Promotion

Three Hellenic League referees have been successful with promotion interviews and move up a rung on the referee promotion letter, Andy Newell of Yate will be operating in the middle on the 'Dr Martens' League with Paul Humphreys and John Flynn being selected for the middle of the Western League. Congratulations to all three.

Kidlington Search

Martin Baker [1st team manager] & Paul Harwood [1st team coach], have decided to step down. Martin will remain on the club committee & no doubt put more hours in on pitch maintenance than his wife would prefer! Paul is intending to play more next season, at Kidlington it is hoped. Anyone interested in taking on the managerial task at Kidlington should contact Club Chairman Geoff Talboys, on 01865-370008 [h] 07970-245888 [m] or e-mail Geoff@gtalboys.freereserve.co.uk

Reserve Round Up

Having reported on the various League Champions and County Cup winners over the past couple of weeks I am now able to turn to the Reserve Section.

Division Two (East) was decided today with Henley Town beating Chalfont Wasps 7-1, League Chairman Michael Broadley made the trip to Henley to present the Trophy at the end of the match.

Managers Mutterings

Good evening and welcome to what will now definitely be our last home fixture of the season (much to the relief of our ground force team no doubt).

Tonight we welcome our visitors from Finchampstead in Berkshire and congratulate them on a hard fought season and they were only narrowly pipped at the post by Henley Town for Division 2 (East) title.

Whatever the outcome of tonight's fixture it is guaranteed that at least a representative from the Reserves Division 2 will be in the final at Milton on Saturday.

Although we know little about our visitors we know what is required to win your division and will treat them with the respect they fully deserve.

We completed our season last Friday with a dour 0-0 display at Letcombe, and frankly without a superb performance from Jason Hillier in goal we would have lost our unbeaten record.

Without tempting fate, the players deserve praise for remaining unbeaten in any fixture now since May 3rd 2000.

No matter what level of football played, to maintain this level of consistency for over a calendar year is remarkable and worthy of praise.

Like all cup ties we expect a full-blooded fixture tonight, and I have a sneaky feeling luck will have a hand in the final outcome.

We enjoyed such luck in a previous round against Highworth when we were trailing 4 - 2 with some 10 minutes remaining.

We pushed Mike Byrne up front as an additional forward and eventually emerged 5 - 4 victor's.

Luck also played a part in the Quarter finals when our opponents from Eton Wick broke down on the M4 and were subsequently unable to fulfil the fixture and duly forfeited the tie.

Tonight's biggest headache has been in selection. Having used some 25 plus players throughout the season, leaving some players out has been very hard, and whilst probably not agreeing with some of our decisions, those lads selected tonight, will receive their full support, knowing the loyalty and commitment shown to this team.

Enjoy the fixture and keep the noise levels high!!
